Nursing Homes:

Linden & Lynnhurst contract is finished. There are increases in sight for all employees. Bonuses being offered at all long term facilities.

Manufacturing:

Organizing:

We are currently working on "Right to Work".

We continue to have success with the UCAN program. We just had a citizen sworn in recently.

Political:

Nursing homes are not so great. They are short staffed and over worked. The Capitol always looks to cut in long term care where the money is needed most.

The Labor Against Cancer walk/run is going very well. We've had some good donations from Union sponsors and the community is South St. Paul.

We've been in bargaining for well over two (2) months. We were not hit hard with our health

& welfare. Twin City Hide is seeing good increases.

We have to thank our brothers & sisters on the west coast who stood on the picket line!
