- A. The employee's date of hire shall be defined as the day the employee starts active employment for the Employer as a new hire or the date the employee starts active employment as a rehire.
- B. Seniority shall be defined as length of continuous service within a classification with the Employer covered by this Agreement. In the case of two or more employees starting active employment in a classification on the same day their seniority ranking will be determined by lot.
- C. Seniority will be applied on the basis of the following classifications:
- 1) Full-time (meat and non-meat) employees
 - 2) Part-time (meat and non-meat) employees
 - 3) Utility employees

4) Prime-time employees

D. The employee's seniority date and classification will be posted in the appropriate location.

SECTION 4.2: APPLICATION OF SENIORITY:

A. Probationary Period:

1) All newly hired employees will be on probation for thirty (30) calendar days and will thereafter attain seniority with the Employer, with seniority reverting back to the date of hire.

2) Prior to the end of the thirty (30) day probationary period, the Employer may request in writing an additional thirty (30) day probationary period in the case of an employee found questionable by management. If the Union approves, this additional thirty (30) day probationary period may be instituted after which time, if the employee remains in the employ of the Employer, the seniority date shall revert back to their original date of employment.

3) An employee's seniority date may change due to a change of classification, but a new probationary period is not required nor will the date of hire be changed for purposes of benefits.

B. Department Heads: Employees who are promoted or hired into department head positions will be given "super seniority" for lay-off purposes, only, after they have been in the department head position for eighteen (18) months. During the eighteen (18) month period the employee retains their date as a full-time employee.

An employee who voluntarily steps down or is demoted for cause from the department head position, will be placed in the appropriate full-time classification with their original seniority date in that position. An employee who is removed from the department head position without cause will be placed in the appropriate full-time classification and will maintain their rate of pay.

C. Layoff and Recall: Lay-off will be by reverse seniority in each classification. The last laid-off will be the first recalled.

1) Full-Time: Full-time employees hired prior to March 6, 2005 cannot be laid-off or involuntarily reduced in hours. For the purposes of lay-off, all full time classifications are merged and company-wide. The least senior hired or promoted will be the first to be laid off or reduced in hours. Full time employees who are laid off may elect to work part-time. APPENDIX "B"
ADDENDUM

A. It is agreed that there will be a head produce clerk and either an assistant manager or head stock clerk in each store.

B. An employee assigned to be in charge of the dairy and frozen food department shall be designated as head dairy and frozen food clerk. Where an Employer has an employee in charge of the dairy case and another in charge of frozen food, one or the other must be designated as filling the head classification and paid the head rate of pay.

C. An Employee regularly assigned to record keeping and bookkeeping functions in addition to the normal duties of a cashier will be designated as the head cashier. There shall be no more than one (1) head cashier per store and only in instances where the described additional duties have been assigned to an employee.

APPENDIX "C"
STORE CLOSING

The Employer and the Union agree as follows:

1) In the event the Employer permanently discontinues operations at a store whose employees are covered by a collective bargaining agreement with the Union, severance pay shall be paid to eligible employees in the manner and to the extent set forth in this Agreement. Discontinuance of operations due to fire, flood, or other acts of God shall not be deemed discontinuance of operations by the Employer for any purpose of this Agreement.

2) A regular employee other than a prime time part-time employee having four (4) or more years of continuous employment whose employment is terminated on or before the date of the Employer's permanent discontinuance of operations at a store and by reason of such discontinuance of operations shall be eligible for severance pay except in the following situations:

- a. The employee voluntarily terminates their employment or is discharged for just cause prior to the date operations are discontinued; or
- b. The employee is offered employment at the same location by a successor Employer or is offered employment at another location by the Employer or any other Company having a collective bargaining Agreement with these Unions or with another Union having a labor contract covering similar work in the Twin City Metro area; or
- c. The employee is eligible for and actually receives benefits under any retirement plan to which the Employer makes contributions on the employee's behalf, or
- d. The employee engages in any conduct which has the effect or is intended to disrupt or otherwise interfere in any way with the Employer's discontinuance of operations.

3) The amount of severance pay for any employee eligible therefore shall be one (1) week's average pay with a maximum of forty (40) hours' pay for each completed year of continuous employment in excess of four (4) but not to exceed a maximum of six (6) weeks' pay. Payment of severance pay shall be subject to any Federal or State withholding requirements.

4) For all purposes of this APPENDIX, a full-time meat employee is any employee who averaged more than (24) hours during their basic work week for the fifty-two (52) week period immediately preceding their termination of employment and continuous full-time employment shall mean employment as a regular full-time employee. One (1) week's average pay shall mean one (1) week's pay at the employee's straight time hourly rate based on their average weekly hours worked during such fifty-two (52) week period.

5) Severance pay shall be paid at the rate of one (1) week's pay per week commencing with the second week following the number of weeks or parts thereof for which vacation pay is paid: Provided, that any severance pay shall cease in the event the employee is recalled or offered employment by any Employer who is covered by a collective bargaining Agreement with these Unions, (or with another Employer having a labor contract covering similar work in the Twin City Metro area), or who accepts the collective bargaining Agreement in effect with these Unions.

6) Upon acceptance of their last payment of severance pay, an employee shall lose any and all seniority or recall rights or credit for previous experience under the collective bargaining Agreement with the Union.

7) The Employer shall continue contributions to the Health and Welfare Plan for four (4) weeks following the employee's termination of employment pursuant to ARTICLE 19 of the contract.

8) Except for unemployment compensation and vacation payments due under the collective bargaining Agreement, any payment received other than payments provided pursuant to this Agreement because of an employee's termination of employment shall be deducted from any severance pay made hereunder.

9) The Employer shall give two (2) weeks' notice in advance of discontinuance of operations at a store to the Union and the employees employed at such store except when such notice is impossible due to circumstances beyond the Employer's control.

10) In consideration of the benefits provided by this Agreement, the Union agrees to cooperate fully in the Employer's discontinuance of operations and agrees not to engage in any strike, slowdown, or other concerted activity or to commence any legal action or to in any other way disrupt or otherwise interfere with the Employer's discontinuance of operations.

11) The Employer shall have no further obligations or liabilities arising from discontinuance of operations at any store other than as provided under this Agreement or under any other collective bargaining agreement with the Union. In the event the provisions of any other collective bargaining agreement are inconsistent with the provisions of this Agreement, the provisions of this Agreement shall prevail.

12) This Agreement shall expire one (1) year following the expiration date of the current collective bargaining agreement.

APPENDIX "D"

**LETTER OF UNDERSTANDING
BY AND BETWEEN
THE PARTIES TO THIS AGREEMENT**

During the negotiations for the 1992-95 Collective Bargaining Agreement, the parties eliminated any restrictions on the Employer scheduling meat department employees to work between the hours of 5:00 a.m. and 7:00 a.m. It was agreed, however, that it was the intent of the Employer to accommodate to the extent possible employees placed in a hardship position because of being unable to obtain child care between 5:00 a.m. and 7:00 a.m. by endeavoring not to schedule such an employee to work between these hours. Any employee scheduled between these hours who is placed in a hardship situation because of an inability to obtain suitable child care commitments shall substantiate that need for the Employer, and the Employer will endeavor to reschedule the employee such as by substituting another employee on the schedule for those particular hours. It is understood that the Employer retains the right to schedule employees to perform necessary work.

APPENDIX "E"

**LETTER OF UNDERSTANDING
BY AND BETWEEN
THE PARTIES TO THIS AGREEMENT**

During the negotiations for the 1992-95 Collective Bargaining Agreement, the parties converted to a weekly system of health and welfare contributions using the same language in ARTICLE 18 of that contract that is contained in the health and welfare language set forth in the Minneapolis Retail Grocery and Meat Contract. As a consequence, full-time contributions are only made on behalf of employees who work thirty-two (32) or more hours per week under the 1992-95 Agreement. In previous contracts, such contributions had been made on behalf of employees who averaged more than twenty-four (24) per week. The parties have agreed that should any full-time employee hired prior to March 1, 1992, covered by the Retail Meat Contract be scheduled to work more than twenty-four (24) but less than thirty-two (32) hours in a work week, the employee will still receive the full-time contribution specified in SECTION 19.2 of the 2005-08 Contract. Effective March 5, 1995, the average of thirty-two (32) hours per week during the reporting period as listed in SECTION 19.1 of the 2005-08 Contract shall be applied to employees covered by this Letter of Understanding by using the twenty-four (24) hour criteria.

APPENDIX "F"
LETTER OF UNDERSTANDING
MEAT APPRENTICESHIP PROGRAM

During the negotiations for the 2022-2024 agreement the Employer agreed to seriously consider participation in a JATC Minnesota State certified apprenticeship program with UFCW Local 1189 and will meet with Local 1189 to discuss being a charger participant in the program.

LETTER OF AGREEMENT #1
Retiree Health Insurance

This Letter of Understanding is intended to reflect the agreement of the parties reached during collective bargaining for the terms of the Grocery and Meat Articles of Agreement for the term March 3, 2002 through March 5, 2005, regarding subsidization of retiree health insurance costs within the Health and Welfare Plan (the "Plan") provided for in the Articles of Agreement. It is agreed that the terms of the Health and Welfare Trust Agreement shall be amended to provide as follows:

1. Eligibility for participation in the retiree health insurance program (the "retiree program") shall be limited to individuals who retire from positions covered by the collective bargaining agreement **on or before 12/31/2014** and who make an election to participate in the retiree program during a fixed period to be defined by the Trustees immediately prior to their retirement, without any break in the employee's participation in medical coverage under the Plan. Eligibility will likewise be extended to current retirees who are presently participating in the existing retiree medical coverage provided under the Plan or who have elected COBRA continuation and are presently continuing to receive benefits during the COBRA continuation period.
2. Further, all participants must be receiving a pension pursuant to the retirement plans provided for in the Articles of Agreement. In addition, eligibility will be limited to those who have a minimum of 25 years as a participant in the Plan and who have attained a minimum age of 55 years. Eligibility will likewise be limited to those individuals who have, for a continuous period of five (5) years immediately prior to retirement, been (a) employed in a bargaining unit position covered by the Articles of Agreement referenced above, and (b) a participant in the Plan. The eligibility criteria established by this Letter of Understanding are intended to be applied cumulatively, not in the alternative.
3. It is understood that a Plan participant who wishes to participate in the retiree program as provided herein shall first elect COBRA continuation of Plan benefits and retain participation throughout the COBRA continuation period at basic plan rates and at the participant's sole cost.
4. The benefits to be provided under the retiree program shall consist of the medical benefits provided under the Plan to retirees.
5. The claims/utilization experience of all retiree program participants shall be separately documented and calculated in order to maintain an ongoing ability to identify and measure the impact upon Plan funding of the retiree program.
6. The cost of coverage for eligible retiree program participants shall be subsidized from the assets of the Plan as follows: For participants with 30 years or more of Plan

participation, the Plan shall subsidize the participant's cost of coverage at a rate of 100% of the difference between the Plan COBRA continuation rate and the retiree self-pay rate; for participants with 25 or more, but fewer than 30, years of Plan participation, the Plan shall subsidize the participant's cost of coverage at a rate of 80% of the difference between the Plan COBRA continuation rate and the retiree self-pay rate. The foregoing subsidies shall cease when the participating employee becomes eligible for Medicare benefits. In all cases, the retiree program participant shall continue to pay the Plan COBRA continuation rate as determined from time to time as a minimum cost of participation.

The parties mutually agree that there is no intention to create vested rights for any employee or any Plan participant by adopting this Letter of Understanding or by amending the terms of the Plan as provided in this Letter. Rather, the terms of the Plan remain subject to change by the Trustees as provided in the Health and Welfare Trust Agreement, and the terms of this Letter of Understanding remain subject to change through the collective bargaining process.

LETTER OF AGREEMENT #2

With the implementation of the new jurisdictional language in the contract, as of March 9, 2008, the Employer, will make every endeavor to post schedules that are clear, concise and whenever possible show the employee's hours to be worked on a base schedule.

Employees, due to new jurisdictional language in the contract, as of March 9, 2008, shall not be adversely affected in regards to requests for personal time off. Employees who were previously guaranteed 24 hours minimum per week because of a) Article 16, or b) Section 2.9 "top" 24%, prior to March 9, 2008, will continue to be guaranteed a minimum of 24 hours, regardless of their position in the newly merged seniority list.

The employer will assume responsibility to train employees to perform the various tasks which may be assigned to them in the store.

LETTER OF AGREEMENT #3

Small Stores

In negotiations with Kowalski's Companies, the Employer and the Union reached agreement on the following terms governing the operation of an Employer's store employing 80 or fewer Local 1189 bargaining unit employees.

1. **Ratio** - Such a store is exempt from the ratio in Article 3 and does not count in total Employer ratio. The employees employed in any such store are not counted in the "total bargaining unit work force" for the ratio calculations in Article 3B. Any reductions or changes in ratio shall be obtained through attrition.
 - a. Part time employees will not count in the Employer's ratio number.
2. **Required Employees** – In any such store, the Employer will employ no fewer than five (5) full time employees, but will not be required to employ any minimum number of Department Head positions.
3. **Sunday** – Such a store is excluded from mandatory full-time staffing requirements in the Contract for Sunday hours.
4. **Prime-time Employees**-If any store does not have any utility employees, it may employ Prime time employees, so long as those Prime time employees do not exceed a maximum of **thirty percent (30)%** of such store's UFCW Local 1189 bargaining unit workforce.
5. **Complete Agreement** – Except as set forth in this Letter of Agreement, the Contract governs the terms and conditions of employment in such stores, including those provisions governing scheduling, layoffs, and transfers.
6. **Notice to Union** – The Employer will notify the Union when it decides to utilize this Letter of Agreement.

**LETTER OF AGREEMENT #4
EARLY RETIREMENT COBRA PROGRAM**

A. Eligibility for participation in the early retirement COBRA insurance program shall be limited to employees who have a minimum of twenty-five (25) years as a participant in the retirement plan(s) provided for in this agreement and in predecessor Agreements and who are eligible to receive benefits pursuant to the retirement plan(s).

B. An eligible employee must make a request to receive the early retirement COBRA insurance pay; however, an eligible employee shall not be entitled to receive the early retirement COBRA pay unless the employer agrees to the employee's request for the early retirement COBRA pay.

C. An eligible employee shall not be entitled to receive early retirement COBRA insurance pay unless the employee signs and does not revoke or rescind, within thirty (30) days, a release of claims form acceptable to the employer.

D. If the employer grants an employee's request for early retirement COBRA insurance pay, the employer agrees to pay a full-time employee an amount equal to the current COBRA rate for health, dental and vision benefits up to eighteen (18) months and a part-time employee an amount equal to the current COBRA rate for health and dental benefits for up to nine (9) months. The employer, at its option, may pay the net cost of the current COBRA insurance to the employee in a lump sum payment or on a monthly basis. This COBRA payment(s) will be a taxable event for the employee.

LETTER OF AGREEMENT #5
Shelf Stocking and Resets

The Union and the Employer agree to the following process for shelf stocking and resets:
The language in Article 16 shall be amended to read:

1. The Employer shall be allowed to use DSD vendors to stock their own products delivered to the store. All other products will be stocked by members of Local 1189, only, except that the Store Manager and either one, (1), or two, (2), other Supervisory employees, as described in Section 1.1 Recognition, may do bargaining unit work and the Employer shall be allowed to utilize retail merchandisers, i.e., perishable specialists in perishable departments, grocery specialists in grocery departments, etc., for the purpose of doing resets. The Employer will provide the Union with a current list of all such specialists and the stores to which they are assigned.

The Employer shall be allowed to utilize suppliers, vendors and salesmen to perform the tasks as specified below:

A. Cut in and “spot” new product that he or she (the supplier, vendor, or salesman) represents, and to remove discontinued, old, and slow moving items from shelves; the remainder of the case after spotting it on the shelf will be stocked by store employees as outlined above. The vendor may place the shelf tag for the new product on the shelf.

B. Participate in a “category” reset to stock products when products that they represent are included in the category; the vendor(s) (supplier/salesman) must work with a Local 1189 member when removing product from the shelves and to re-tag the category. After the first case, product in the designated category will be restocked by a Local 1189 member.

C. In the event of a total store reset, the Employer will offer additional hours to members before utilizing vendors (suppliers/salesmen) to remove, replace, or tag product. The reset for the entire store will follow the same guidelines as outlined in the category reset. In the event of a total store reset, the Employer will notify the Union.

2. As a condition of this Article, the Employer agrees for the duration of the collective bargaining agreement that there shall be no lay off or reduction in hours of any full-time employee, or for the 24% most senior part-time employees as of May 30, 2013 [date will be applicable to the Employer] on the Employer’s seniority list, a reduction of scheduled hours below twenty-six (26) per week. If such an employee is laid off or suffers a reduction in hours during this period, the Employer shall lose its right to operate under the terms of this Article. It is understood and agreed that this provision regarding layoffs or reduction in hours shall have no application in the event of store closure, proven loss of business, excluding seasonal fluctuations, retirement, voluntary quit, discharge for just cause, inability to perform the essential functions of the job due to disability, termination prior to the completion of the probationary period, interruption of business due to “act of God,” or death. Moreover, it is understood that the employees intended to be protected by this provision do not include retired employees working on a part-time basis, or employees working on waivers.

3. Violations of the Agreement may be resolved with a fine of \$300 per violation (if the violation is by multiple vendors, persists, or occurs in more than one location) payable to the Union’s food shelf, in lieu of grievance mediation and arbitration.
