**UNITED FOOD AND COMMERCIAL WORKERS UNION
LOCAL #1189**

THIS AGREEMENT made this first day of October 2014, by and between **HealthCare Services Group, Inc.** (hereinafter also referred to as the Employer), and the United Food and Commercial Workers Union, Local #1189, Duluth, Minnesota, chartered by the United Food and Commercial Workers International Union, hereinafter described as the Union or Local #1189.

UNION MANAGEMENT RELATIONSHIP

In consideration of the mutual promises herein contained and for the purpose of creating a working agreement by and between the Employer and its employees and the Union, the parties hereto mutually covenant and agree to and with each other as follows:

ARTICLE I

RECOGNITION OF UNION

- 1.1 The Employer recognizes the Union as the sole representative and exclusive bargaining agent for all its full-time and part-time employees in Maintenance Engineering, Maintenance Assistants, Housekeeping, and Laundry classifications; excluding Licensed Practical Nurses, Registered Nurses, Office Clerical, COTA's, Professional Employees and Supervisors as defined by the National Labor Relations Act, as amended.
- 1.2 All present employees covered by this Agreement, who on the date of the execution of this instrument, were members of the Union in good standing in accordance with its Constitution and Bylaws, and all present employees covered by this Agreement shall become members after that date, and all new employees covered by this Agreement after thirty-one (31) days of employment shall, as a condition of employment maintain their membership in the Union in good standing for the duration of this Agreement.
- 1.3 Employees covered by this Agreement, on the date of hire, shall complete and sign applications for membership in the Union and authorization for the deduction of Union dues and initiation fees. Such forms are to become valid on the thirty-first (31st) calendar day following date of hire.

Such deductions will be made by the Employer from the wages of employees each payroll period and transmitted to the Union by the 15th of the month following the month deduction were taken. The Employer and the Union shall, by mutual agreement, be authorized to alter or amend the functional procedures herein, if necessary.

- 1.4 In the event no wages are then due the employee, the deduction for such month shall be made from the first wages next due the employee.
- 1.5 The Employer agrees, under the Contract requirements above, to have each new employee covered by this Agreement complete a Union Membership Card and a Dues Deduction Authorization Card at the time of hire and to remit them with the initial dues deducted to the union office.
- 1.6 The Employer shall provide to the Union a list of new employees with their names, classification and home address when they are hired.
- 1.7 The Employer shall give the Union and the employee affected two (2) weeks' (fourteen [14] days) notice of termination of employment where the Employer is terminating his business or selling the same. The Employer shall give notice of his intent to sell no later than fourteen (14) days prior to the close of the sale.

ARTICLE II

DEFINITIONS AND HOURS OF WORK

2.1 DEFINITIONS:

1. **FULL-TIME:** An employee holding a schedule of sixty-four (64) to eighty (80) hours per pay period.
2. **PART-TIME:** An employee holding a schedule of a minimum of sixteen (16) hours per pay period but less than sixty-four (64) hours per pay period.
3. **PROBATIONARY EMPLOYEES:** An employee who has worked less than 320 hours. The Employer may extend the probationary period an additional 160 hours with written notice to Union.
4. **TEMPORARY EMPLOYEES:** Are utilized for the following formats:
 - A. Temporary positions are for employees hired to replace existing positions and/or for special projects (non-permanent employment projects of six months or less) and are not to exceed six (6) months unless there is a request for an extension. Extension requests are to be referred to the Labor Management Committee (LMC).
 - B. Hours worked while on temporary status do not count toward probationary hours.
 - C. If an employee is on temporary status, they are not a member of the bargaining unit.

D. Temporary employees are not to displace bargaining unit employees.

5. **BARGAINING UNIT EMPLOYEES:** A bargaining unit employee is defined as an employee covered by the contract between the Union and **HealthCare Services Group, Inc.**
6. **TRANSITIONAL DUTY EMPLOYEES:** Are employees on Worker's Compensation with a work-related injury and with limitations as defined by a physician.
7. **ON-CALL EMPLOYEES:** An employee who has no scheduled hours, holds no schedule and works from zero (0) to eighty (80) hours per pay period and receives no benefits but receives appropriate holiday pay for working a designated holiday and is also not a member of the bargaining unit.

If a bargaining unit member accepts on-call status, this is considered a break in service. If they return to the bargaining unit, a new hire date and anniversary date is assigned.

Work shall be offered to regular employees on layoff before on-call employees, unless the employee on layoff has indicated that they do not wish to be called. Employees on layoff who accept on-call status will not have a break in service unless they have been offered recall and refused or they are in layoff status for more than two (2) years, as stated in Article V, Section 5.7.

- 2.2 The normal hours of work shall be eight (8) per day and eighty (80) in each two (2) week period. All hours worked in excess of eight (8) hours per day or eighty (80) hours in each two (2) week work period shall be considered overtime and shall be compensated for at time and one-half (1½) rate. All work performed on the seventh (7th) consecutive day shall be compensated for at time and one-half (1½) rate. All work performed after seven (7) consecutive days shall be at double time (2x). Whenever possible, the employee shall be scheduled for a work week of five (5) consecutive days, but in no event more than seven (7) days consecutively except in an emergency. A consecutive day for the purpose of this section means a day where an employee works a minimum of four (4) hours.

MANDATORY OVERTIME:

- 1) Management will assign mandatory overtime in a reasonable and consistent manner, giving as much advance notice as possible. Scheduling will use all available call-in procedures possible and scheduling (or supervisor) will ask for volunteers before formally starting mandatory overtime assignments.
- 2) If requests for voluntary overtime fail to fulfill staffing needs, the Employer will require mandatory overtime. The least senior employee, by department, will be required to work or will be subject to discharge if they fail to work. Mandatory overtime will only be used when staffing falls below the State guidelines, or the number of employees scheduled is insufficient to meet basic care needs for the residents.

- 3) Mandatory overtime needs can require between one (1) to eight (8) hours of work.
- 4) Mandatory overtime will not be mandated more than once a pay period per employee, by department.
- 5) If an employee is working on their day off, they will not be required to work mandatory overtime.
- 6) An employee who has been assigned two (2) extra shifts will not be required to work mandatory overtime for the remainder of the pay period. However, if an employee does not work the extra shifts assigned, they can be mandated during that pay period and the next pay period.
- 7) In assigning mandatory overtime, pool personnel will be moved to fill the vacancy and the employee working mandatory will stay on their regular unit. If no pool personnel are utilized, the employee on mandatory will fill the vacancy.
- 8) Staffing records will be available to the business agent or designee of the bargaining unit upon request.
- 9) If after following the procedure for filling a shift fails and the staffing falls below the State guidelines or the number of employees is insufficient to meet the basic care needs for the residents the following will apply:

Mandatory overtime will be accomplished through the use of reverse seniority, on a rotating basis.

- 2.3 Work schedules for a two (2) week period beginning on Friday shall be posted one week in advance and shall remain posted. Once the scheduled is posted, no changes shall be made unless agreed to by the employee.

Part-time and full-time employees shall be scheduled for all additional hours above the assigned hours by seniority, if they notify the employer in writing. Extra days that are picked up by employees shall become part of their two-week schedule after approved by management, and cannot be taken away without the employee's agreement, except when newly hired employees fill the position.

- 2.4 If an employee is called in to work with less than one (1) hours' notice, the employee will be allowed up to one (1) hour from the time the employee was called to report for the shift for which called and be paid for the full shift.
- 2.5 An employee reporting for work at his regular scheduled starting time who has not been previously notified not to report for work shall receive a minimum of four (4) hours' work that day or four (4) hours' straight time in lieu thereof.

A bona fide attempt by the Employer to contact the employee shall be taken as notice under this provision.

- 2.6 If the employees are assigned by their supervisor to work at their duties of a higher grade for a period of four (4) hours or longer in this grade, they shall receive pay for all actual hours worked that shift at the higher grade; this shall also include vacations.
- 2.7 For the purposes of this section, Time Off shall be defined as time before or after an employee's regular scheduled shift and Day Off shall be defined to mean a calendar day when an employee is not scheduled to work. Employees attending required in-service training on their time off shall be compensated at straight-time or overtime rates as provided for in Section 2.1 above. Employees attending in-service training on their day off shall be guaranteed one (1) hour's pay for actual time spent at the in-service, whichever is greater, at straight-time rates.
- 2.8 Maintenance employees who are called in to work outside the scheduled work day shall be guaranteed a minimum of one (1) hour of pay or work in lieu thereof. Paid commute time shall be for a maximum of 30 minutes.

**ARTICLE III

- 3.1 The following shall constitute the minimum scale of wages for employees in the following classifications:

- 3.3 Comparable experience in the preceding five (5) years shall be recognized for wages only on the following basis:

Employees with previous experience as above indicated shall receive as starting rate the wages established for one (1) increment lower than their existing total experience.

- 3.6 **Weekend Bonus Pay:** When it becomes necessary, as determined by management, HealthCare Services Group Inc. will provide a minimum thirty dollars (\$30.00) weekend bonus to maintain the minimum staffing guidelines set by State and Federal regulations.

The bonus period will be posted on the bulletin boards by the time clocks outlining the hours the bonus applies, the amount of the bonus and the contact person to schedule bonus hours. To receive the bonus, the hours must be approved by the HCGS Manager and so noted by the employee on the back of the daily staffing schedule.

Bonuses are available to employees who are not regularly scheduled during the determined bonus period.

ARTICLE IV HOLIDAYS

- 4.1 The following days shall be paid holidays: New Year's Day, July Fourth, Easter Sunday, Labor Day, Christmas Day, Memorial Day and Thanksgiving Day.

- 4.2 In addition to these holidays, all eligible employees (see Sections 4.6 and 4.7) shall be granted floating holidays with pay on the following basis:

- A. Employees with one (1) year of continuous service shall receive one (1) floating holiday.
- B. Employees with three (3) years of service shall receive a total of two (2) floating holidays.

Employees can take their floating holiday(s) anytime (including Saturday and Sunday) provided a qualified replacement could be found. It is the Employer's responsibility to find a replacement.

The floating holiday(s) must be taken during the anniversary year following the one in which they were earned or be forfeited. It is understood that the Employer will not have to pay overtime in order to grant a floating holiday, and the Employer shall use reasonable and fair judgment in determining whether a replacement is qualified.

- 4.3 All employees who work on any of the above holidays or days celebrated as such shall be paid two and one-half (2½) times their regular straight-time pay for all hours worked. All continuous hours worked shall qualify for Holiday pay. Employees who work more than one (1) shift during the Holidays of Christmas and New Year's shall have the longest shift worked used to determine the Holiday pay.

Employees who work a short shift (less than 8 hours) on both the eves and the day shall have both shifts added together for Holiday pay, not to exceed 8 hours total. In order to determine what constitutes the beginning of the PM shift on the eves the following shall be used: If the majority of hours for any one shift fall after 3 P. M. on the eves, that shift shall be considered to be a PM shift for calculation of Holiday pay. Employees shall receive Holiday pay only once during this period of time.

- 4.4 When an employee is scheduled for a Holiday, the employee shall be required to work that day. If an employee is scheduled for a Holiday and would like that day off with pay, they must follow the procedure outlined in Section 10.3.
- 4.5 When a Holiday falls on an eligible employee's day off, they shall receive straight-time pay for their average or normal work day. Employees that have the Holiday fall on their day off shall work their regular permanently scheduled days and shall receive Holiday pay also.
- 4.6 To be eligible for a paid Holiday, the employee must have averaged a minimum of forty (40) hours per pay period (two [2] weeks) during the two (2) pay periods immediately prior to the pay period in which the Holiday occurs.
- 4.7 An excused absence from work on the employee's scheduled work day preceding or following a Holiday shall entitle the employee to receive his pay for a Holiday. An excused absence shall be defined as sick leave, jury duty, and funeral leave as described in Article XII, of this Agreement and other approved, scheduled absences except those provided under Section 12.3 of this Agreement.

ARTICLE V SENIORITY

- 5.1 Every employee covered by the terms of this Contract shall have seniority as herein provided from the date of such employee's original date of hire as posted on the seniority list, unless such seniority is broken for reasons specified herein. Such seniority shall apply only to layoffs, rehiring and filling of vacancies of jobs covered by the terms of this Contract.
- 5.2 Seniority shall be first by department to be supplemented by unit-wide seniority as hereinafter provided.
- 5.3 The Employer will, on the first day of April of each calendar year, prepare a seniority list of employees covered by this Agreement and post the same on a bulletin board in the Home. Such seniority list shall specify both the department and unit seniority of each employee.

Within fifteen (15) days thereafter, the employees may file with the Employer any objection to such seniority ratings. Within twenty (20) days of such posting, the Union and the Employer shall mutually agree on such correction. After so corrected, such seniority ratings shall be permanent and shall not be subject to change except as to new employees whose names are placed on subsequent seniority postings.

- 5.4 All job vacancies and new positions, which the Employer wishes to fill, shall be posted within fourteen (14) calendar days after management receives notification that a vacancy will exist (a four [4] day posting period). Employees of the department in which such vacancy occurs, if qualified, shall be given preference according to seniority in filling such vacancy.

If no one in the department in which the vacancy occurs applies, or if such applicant is not qualified, then any qualified employee outside the department so applying shall be given preference according to seniority in the unit.

The Employer during such four (4) day posting period, may assign temporarily any employee to such vacancy. The Employer shall notify the Union, in writing, of any position they intend to eliminate.

- 5.5 An employee's seniority for any purpose shall be broken and terminated by:

- (1) Voluntarily quitting employment.
- (2) Discharge for cause.
- (3) Failing within one (1) calendar week to report for work after Layoff upon receipt of notice by Registered or Certified Mail.
- (4) Employment by any other employer during a leave of absence.
- (5) Layoff which continues for more than two (2) years.
- (6) Absence from work because of personal illness or injury for more than one (1) year.

(7) Accepting on-call status.

- 5.6 Any employee may be temporarily transferred from one department or unit to another when vacancies or requirements of work, as determined by management, requires such transfers; provided, however, that if the job to which such employee is transferred pays a higher rate of pay than his scheduled employment, then such employee shall receive such higher rate during the time when he is so employed in such higher rated job. No employee may be permanently transferred without such employee's consent, but when so transferred such employee's seniority in the department from which such employee is transferred shall terminate, and such employee's seniority in the new department shall commence as of the date of transfer.

Such permanently transferred employee shall, however, for the first fourteen (14) days that he is employed in the new department, be considered a temporary employee on probation in such department, and during such fourteen (14) day period at such employee's own request, such employee may be transferred to his original department, or if such employee is not qualified, the Employer may retransfer such employee to his original department, if so re-transferred to the employee's original department, such employee shall be restored with full seniority and pay in such employee's former position in the old department.

- 5.7 Employees transferred from one wage grade to another shall commence work in the wage grade to which they are transferred at the same wage increment step they are at.
- 5.8 Employees transferring from one job to another in the same wage grade shall not suffer any reduction in increment steps, but shall continue with the same increments as in their former job.
- 5.9 Employees will not be permitted to successfully bid more than once each calendar year for a posted position in a different department.
- 5.10 An employee shall not, however, lose his unit wide seniority. Department seniority shall control all promotions or filling of vacancies in any department unless there is no qualified applicant in the department, in which event, unit wide seniority shall control if there are qualified employee applicants outside the department.
- 5.11 When possible to do so, a full-time vacancy shall be filled by a full-time employee.
- 5.12 Layoffs: When the Employer determines it becomes necessary to reduce staff to adjust to the census or for other reasons, the reduction will take place in the following manner:
- A. Two (2) weeks' notice to Business Agent of FTEs to be laid off.
 - B. Request voluntary layoffs first.
 - C. Thereafter, staff reduction will take place by laying off the least senior department employee first.
 - D. One week (7 days) written notice to employees affected.

E. Following a layoff, if full-time or part-time work becomes available, laid off employees will be called back to full-time or part-time positions starting with the most Senior employee laid off, assuming the employee is qualified for the position, or they can become reasonably proficient within a period of time not to exceed five (5) days.

- 5.13 Any dispute arising over the interpretation or application of seniority shall be subject to settlement through the grievance procedure as stated in Article VIII.
- 5.14 All seniority lists and job vacancies, as provided for in this section, will be posted upon such bulletin boards as may be mutually agreed upon by the parties hereto.
- 5.15 The staffing policy of HealthCare Services Group, Inc. is to maintain staffing levels consistent with resident census and with management's determination of the work requirements necessary to provide quality resident care at a reasonable cost and efficient allocation of human resources.

Management will determine levels in accordance with department needs. Should resident/patient census and work requirements indicate that a reduction in the work force is necessary, adjustments will be made. "Low census hours" will be used to effect "temporary reductions" in the work force.

"Low census hours" are utilized to maintain benefit status at hired (status) hours. All "low census hours" will be recorded per departmental procedure to enable HealthCare Services Group, Inc. to track utilization.

An employee may volunteer to take "low census hours."

If no one in the work force volunteers for "low census hours," then seniority by nursing unit will be applied and the least senior worker will be assigned "low census hours." Non-nursing personnel will utilize "low census hours" by department seniority.

If those low census hours amount to more than a one (1) hour reduction on a unit, the employee or those effected, will have the right to use their departmental seniority to displace a less senior employee on a different unit.

Employees will be given notice of at least one (1) hour prior to the utilization of "low census hours."

Employees have the option of taking vacation hours in lieu of "low census hours."

ARTICLE VI TERMINATION OF EMPLOYMENT

- 6.1 Employees covered by this contract electing to resign or quit their employment will give the Employer two (2) weeks (fourteen [14] days) written notice.

The employee may leave sooner when a qualified replacement can be made by the Employer. The Employer is to furnish printed forms for such resignations.

Employees who give proper notice of termination and complete and sign a resignation form provided by the Employer shall receive all earned and accrued unused vacation.

- 6.2 Any new employee shall be subject to discharge at the option of the Employer during the first three hundred twenty (320) hours or four hundred eighty hours if given an extension of probation.

After successful completion of the probationary period, no employee shall be suspended, demoted or dismissed without sufficient cause.

If, after proper investigation, it is found that an employee has been disciplined unjustly, he or she will be reinstated with full rights and compensated in full for time lost, provided, however, that no claim for compensation for time lost shall be paid unless the claim is presented to the Employer in writing within ten (10) days after the suspension, demotion or dismissal in question.

- 6.3 Reasons for discharge shall include but not be limited to:

1. Dishonesty
2. Incompetence
3. Racial intolerance
4. Failure to obey reasonable instructions not in conflict with this contract
5. Reporting to work intoxicated or drinking on the job.
6. Failure to notify the Employers or managers to be excused from work
7. Abuse or neglect of Vulnerable Adults as defined by the Vulnerable Adults Statute

- 6.4 **Employees resigning within six (6) months of the date of their initial employment with HCSG will receive no vacation payout upon termination.** Employees discharged for just cause or who fail to give proper notice of termination as stated in section 6.1 shall forfeit all accrued vacation pay. **Employees who elect to resign and give the proper written notice of termination of employment, as hereinabove required, will be entitled to vacation pay in lieu of vacation to the extent that such vacation pay has been earned on the date of termination of employment.**

- 6.5 If the employee fails to report to work as scheduled, or to furnish the Employer with a justifiable excuse (as determined within the sole discretion of the Employer) within forty-eight (48) hours thereof, such failure to report to work shall be conclusively presumed to be a resignation from the service of the Employer, and termination of such employee's seniority and employment.

One (1) no-call, no-show without an acceptable reason (as determined within the sole discretion of the Employer) results in termination of employment.

ARTICLE VII DISCHARGE

- 7.1 The Employer shall not discharge nor suspend any employee without just cause. In respect to discharge, the Employer shall give at least one (1) warning notice of the complaint against such employee to the employee in writing and a copy of the same to the Union. No warning notice needs to be given to an employee where he is discharged if the cause for such discharge is dishonesty, drunkenness or drinking on the job, abuse or neglect of Vulnerable Adults, as defined by the Vulnerable Adult Statute, gross insubordination, such as verbally or physically abusing a supervisor and/or failing to follow a directive or order from a supervisor and/or theft or abuse (defined as improper use or treatment) of property belonging to a resident, the Employer or another employee.

In addition, no warning notice need be given in the instance of a suspension, which is defined as a removal from the payroll for a period of time with the right to be reinstated without loss of seniority at the end of said period of time. A warning notice as herein provided shall not remain in effect for a period of more than twelve (12) months from the date of the warning notice. Employees shall be notified within one (1) week after management determines that an incident should result in disciplinary action.

An employee may terminate a meeting with a supervisor or request the presence of a Union Steward/Representative if such meeting may lead to discipline of the employee. If the employee calls a Steward and the Steward attends the meeting, the meeting may continue; however, if the employee's choice of union representative is unavailable, the employee may elect to postpone the meeting up to one hour so that a Steward, the Union representative, or Union co-worker of the employee's choosing is located. The right to Union representation applies only to investigatory meetings that may lead to discipline of the employee; there is no right to Union representation if the meeting is for the purpose of issuing discipline to the employee.

- 7.2 All discharges must be by proper written notice to the employee and the Union affected and shall state the specific reason for discharge. Any employee may request an investigation as to his discharge or suspension.

Should such investigation prove that an injustice has been done an employee, he shall be reinstated and compensated at his usual rate of pay while he has been out of work.

- 7.3 Appeal from discharge or suspension must be taken within fifteen (15) days from the date of discharge or suspension. If no decision has been rendered within fifteen (15) days, the case will be taken up as provided for in the grievance procedure of this Agreement.

**ARTICLE VIII
GRIEVANCE AND ARBITRATION**

8.1 Any grievance or dispute regarding the interpretation or application of the provisions of this Contract must be submitted for settlement by the aggrieved employee or employees, or by the Union on its own behalf under the procedure as herein provided, or by the Employer. This procedure shall be the sole and exclusive method for settlement of such disputes:

STEP 1. Any employee or employees who believe there has been a violation of the terms or conditions of this contract in relation to his or their employment shall immediately and promptly take such complaint to the immediate supervisor. Such employee or employees and supervisor shall attempt to resolve said complaint.

No complaint will be considered by any supervisor or representative of the Employer unless it is brought to the attention of the supervisor or representative of the Employer within seven (7) days of its alleged occurrence, except as hereinafter provided as to wages.

STEP 2. If said employee or employees and supervisor cannot resolve said complaint within such seven (7) day period, the employee or employees shall reduce the complaint to writing which shall be considered a grievance.

The grievance shall be so reduced to writing and submitted within fourteen (14) days after the occurrence of the alleged violation of this Contract to the Administrator; provided, however, that complaints and grievances as to the amount of money due and payable to any employee for wages, hours worked, vacation allowances and days off may be filed and furnished to the Administrator within thirty (30) days after the first regular pay day following the occurrence of such alleged violation relating to such wages.

Failure to give any such notice of any grievance arising under the terms and conditions of this contract shall constitute a permanent waiver and bar of the grievance and the employee or employees shall be forever foreclosed from raising any complaint or grievance in regard thereto in any manner whatsoever.

The representatives of the Employer and the Union shall immediately after the submission of such grievance, in writing, by mutual negotiations, attempt to arrive at a satisfactory settlement thereof.

After such grievance is reduced to and submitted in writing, the employee or employees shall be represented by the Business Agent of the Union or such other persons as may be designated by the Union to represent such employee or employees, not exceeding, however, three (3) in number. The Employer may be represented by such representation as it shall select.

STEP 3. If such grievance cannot be settled promptly between the parties within seven (7) calendar days after the delivery of written notice of the grievance, the matter may be submitted to any arbitrator by either party. Such an appeal to arbitration shall be in writing and served on the other party. A representative of the Employer and a representative of the Union shall attempt to select such arbitrator.

If they cannot agree upon the arbitrator, then either the Employer or the Union may request State Conciliation Service or Federal Mediation Service (FMCS) to submit a list of five (5) names from which the arbitrator shall be selected by elimination, first strike to be determined by chance. Either the Union or the Employer may unilaterally reject one panel of arbitrators and request a second panel of arbitrators from the FMCS. The party requesting the second panel will be responsible for paying for the second panel.

The decision or award of said arbitrator shall be final and binding upon the parties and employee or employees affected. The arbitrator shall not add to, alter, amend, or vary the terms of this Agreement.

- 8.2 The expense and remuneration of the arbitrator shall be borne by the parties equally.

ARTICLE IX NO STRIKE / NO LOCKOUT

- 9.1 The Union will not authorize, assist or support a strike or stoppage of work, and the employees agree that they will not individually or concertedly engage in, assist, or support any strike, slowdown or any other stoppage of work because of any matter covered by this Agreement. Participation in any strike, slowdown, sit-down or stoppage of work brought about either by action of the Union in violation of this Agreement or by action of individuals or groups without Union authority shall be just cause for dismissal or discipline by the Employer (subject to the grievance procedure herein provided). The Employer agrees that during the term of this Agreement, there will be no lockouts by the Employer.

ARTICLE X VACATIONS

- 10.1 All full-time, forty (40) hours per week employees shall receive the following vacations which shall be at the regular straight-time rates:
- A. All full-time employees with one (1) year of continuous full-time service - one-half (½) day per calendar month for each completed month worked, not to exceed forty (40) hours of straight-time pay.
 - B. All full-time employees with two (2) years of continuous full-time service - one (1) day per month or each completed month worked, not to exceed eighty (80) hours of straight-time pay.
 - C. All full-time employees with five (5) years of continuous full-time service - one and one-half (1½) days per month for each completed month worked, not to exceed one hundred twenty (120) hours of straight-time pay.
 - D. All full-time employees with ten (10) years of continuous full-time service - two (2) days per month for each completed month worked, not to exceed one hundred sixty (160) hours of straight-time pay.

- 10.2 All full-time employees who have been continuously employed for at least six (6) months and less than one (1) year prior to their anniversary date will be granted one-half ($\frac{1}{2}$) working day of vacation for each completed month of employment up to five (5) working days. The employees will be paid for those hours actually earned. If additional time up to the five (5) days is taken, the balance will be paid upon completion of the year of employment.

- 10.8 A former employee whose employment is terminated and who is subsequently re-employed by the Employer assumes the same status as the new employee in regard to vacation allowances.
- 10.9 Any leaves of absence shall not be computed as working time for the purpose of computing vacation allowances and pay.

An employee receiving full pay from his Employer, while serving on a jury, will be required to turn in to his Employer the jury duty pay for the period he served on the jury, not to exceed two (2) weeks.
