I Stand in Solidarity with the Northern Grocery Workers

To: The (ARGA) Arrowhead Retail Grocers' Alliance: Super One, Cub Foods Grand Rapids and Mount Royal Foods:

We are standing in solidarity with the workers at your stores in their fight for a fair Union contract for all.
As a member of the community, I am asking you to show your appreciation for their hard work by:

- Fully funding their health insurance plan;
- Providing ALL workers, full-time and part-time, with a fair raise; and
- Making certain that no one has to endure hardships through cuts to any benefit in their contract.

The members who serve me in your stores are the face of your company. It is their hard work and dedication to providing them service that keeps me coming in the doors. Please be fair and consider the needs of their families while at the bargaining table.

By signing below, I acknowledge that I am a customer and I demand a Fair Contract for all!
