**COLLECTIVE BARGAINING AGREEMENT
BY AND BETWEEN
GOOD SAMARITAN SOCIETY -- INVER GROVE HEIGHTS
and
UNITED FOOD AND COMMERCIAL WORKERS UNION
LOCAL 1189, AFL-CIO**

THIS AGREEMENT made this 1st day of **March 2020** by and between GOOD SAMARITAN SOCIETY -- INVER GROVE HEIGHTS, hereinafter described as the Employer, and the UNITED FOOD & COMMERCIAL WORKERS UNION LOCAL 1189, chartered by the UNITED FOOD & COMMERCIAL WORKERS INTERNATIONAL UNION, AFL-CIO & CLC, hereinafter described as the Union.

ARTICLE 1

RECOGNITION OF UNION

1.1 Recognition: The Employer recognizes said Union as the sole representative of all of its non-professional staff and Certified Nursing Assistant Supervisors who are regularly scheduled employees within the bargaining unit certified by the National Labor Relations Board, excluding registered nurses, licensed practical nurses, office clerical employees, administrators, guards and supervisors as defined in the National Labor Relations Act, for the purpose of collective bargaining with respect to the hours of labor, rates of pay and working conditions herein specified. The Employer will deduct contributions to the UFCW Active Ballot Club from the wages of any employee who voluntarily provides the Employer with a written authorization. The Employer is not responsible for the management or administration of the Club or decision on Club expenditures. The Union agrees to invoice the Employer on a quarterly basis for those employees who have provided a written authorization to deduct such contributions from their wages.

1.2 Union Membership: It shall be a condition of employment that all employees of the Employer covered by this Agreement who are members of the Union in good standing on the effective date of this Agreement shall remain members in good standing and those who are not members on the effective date of this Agreement shall, on the thirty-first (31st) day following the effective date of this Agreement, become and remain members in good standing in the Union. It shall also be a condition of employment that all employees covered by this Agreement and hired on or after its effective date shall, on the sixtieth (60th) day following the beginning of such employment, become and remain members in good standing in the Union.

"In good standing", for the purpose of this Agreement, is defined to mean the payment of a standard initiation fee or a standard reinstatement fee, if applicable, and standard monthly dues as applied uniformly to all persons covered by this agreement.

The Union agrees to notify the Employer in writing in advance of all action in all instances where suspension from the Union is contemplated for any reason. In instances of a potential termination, a labor-management meeting shall be convened.

For the purpose of this Article 1, Section 1.2, the execution date of this Agreement shall be considered its effective date.

The foregoing provisions shall not apply to employees working as temporary replacements for a period of up to ninety (90) calendar days per calendar year.

1.3 Dues and Initiation Fee: The Employer agrees to deduct Union dues and initiation fees from the wages of employees in the bargaining unit who voluntarily provide the Employer with a written authorization for such deductions. In no event shall such written authorization extend beyond the termination date of this Agreement. Such deduction shall be made by the Employer from the wages of the employees during each calendar month and shall be transmitted to the Union. In the event that no wages are due the employee, or that they are insufficient to cover the required deduction, the deduction for such month shall nevertheless be made from the first wages of adequate amount next due the employee and shall thereupon be transmitted to the Union. Together with the transmittal of deductions referred to above, the Employer shall furnish the Union with a list of the employees for whom deductions were made.

The Union shall refund promptly any dues found to have been improperly deducted and transmitted to the Union and shall furnish the Employer with a record of such refund.

1.4 Union Visitation: The duly authorized representative of the Union may visit Employer's nursing home premises and may confer with the employees of Employer thereat, provided that such visitation does not interfere with the proper conduct of employees' duties and care of the patients or residents.

ARTICLE 2

CLASSIFICATION OF EMPLOYEES

2.1 Classification: Employees shall be classified as follows: Full-time employees are those employees regularly scheduled to work at least thirty (30) hours per week. Regular part-time employees are those employees regularly scheduled to work less than thirty (30) hours per week.

2.2 For the purposes of this Article 2, Section 2.1 and 2.2, no employee shall be reclassified to defeat the purpose of this Agreement.

ARTICLE 3

PAY PERIODS

3.1 Frequency of Pay: Employees shall be paid every two (2) weeks or more often. Payroll errors of eight hours or more, and caused by the Employer's error, shall be paid by the Employer within 24 hours of notification to the Employer, excluding weekends.

ARTICLE 4

HOURS OF WORK

4.1 Work Schedule Posting: Work schedules shall be posted at least two (2) weeks prior to the start of a work period. All scheduling changes will be reflected in On-Shift. When changes in the work schedule are made affecting employees who are scheduled to be off, the Employer will also notify the employee via telephone, email or text message. Employer shall not change the shift of any employee in an arbitrary and capricious manner without the consent of any such employee.

4.2.1 Job Bidding: The Employer shall post all regularly scheduled non-temporary vacancies for a minimum of seven (7) days. The posting will include the job title, days, hours and shift to be filled by seniority as defined in Section 7.1.

Bids shall be submitted in writing to the Employer before the expiration of the seven (7) day posting period. Regularly scheduled employees may take additional hours provided that:

1. Such available hours do not create overtime payment obligations; and
2. Such employees must take all available hours or arrangements must be made so that all available hours are taken.

During the posting period the Employer shall fill available hours in accordance with Section 4.3 below.

Any dispute arising in interpretation of ability to do the job is subject to the grievance procedure.

4.2.2 The parties agree to add permanent hours to existing employees' schedules, up to eighty (80) hours per pay period, provided doing so does not disrupt existing "block" schedules and maintains consistent scheduling assignments.

A system of "block" scheduling shall be utilized providing employees with permanent days off; however, it is understood that some "non-block" positions and/or positions with "block" and "non-block" hours shall be utilized where mutually agreeable between the employee and the employer.

4.3 Temporary Vacancies: The employer shall post all known available hours (i.e., vacations, leaves of absence, unfilled schedules, etc.) upon an appropriate bulletin board. These hours shall be awarded by seniority to employees capable of performing the duties without immediate training or licensing. The facility shall establish a mechanism to insure employees are able to sign up for the available hours using the following priority:

1. Regular full and part-time employees without overtime.
2. Regular and part-time employees with overtime.

When hours become available without previous scheduling notice, the Employer will attempt to fill the hours using the provisions outlined above. The Employer retains the right to restrict excessive use of overtime on a case by case basis; provided, however, the Employer's exercise of such right may be challenged under the parties' grievance procedure.

4.4 Weekend Scheduling: Employees shall normally be scheduled so they are not required to work more than two (2) weekends out of four (4) except in cases of emergency or unavoidable situations where the application of this principle would have the effect of depriving patients or residents of needed care or by mutual agreement between the Employer and the employee.

4.5 No Split Shifts: The Employer shall not schedule an employee for a split shift, unless the parties mutually agree to do so.

4.6 No Shift Rotation: The Employer shall not rotate shifts of an employee, unless the parties mutually agree to do so.

4.7 12 Hour Rest Between Shifts: Schedules shall provide employees with twelve (12) hours rest between shifts, except in cases of emergency, or where such break time cannot be given as a result of the use of rotating schedules.

4.8 Overtime After 7 Consecutive Days: An employee shall not be scheduled to work more than seven (7) consecutive days unless overtime is paid for work in excess of such seven (7) consecutive days. Pick-up shifts, either through sign up or call-ins shall not be considered as consecutive days scheduled for overtime purposes.

An employee may request, in writing, a schedule that exceeds seven (7) consecutive days, and if granted by the Employer overtime under this provision shall be waived. Such request may be rescinded at any time, in writing, and will be effective with the next schedule posting.

4.9 Four Hour Minimum for Scheduled Shift: An employee reporting for work at his regular scheduled starting time who has not previously been notified not to report for work shall receive a minimum of four (4) hours work that day or four (4) hours straight time in lieu thereof, excluding those positions in the Dietary Department which may be scheduled for less than four (4) hours in duration. A bona fide attempt by the Employer to contact the employee shall be taken as notice under this provision.

4.10 Four Hour Minimum for Call-in: Employees who are called in for work outside their scheduled shifts shall receive a minimum of four (4) hours' pay or actual hours worked, whichever is greater, at the rate of their regular position or the rate of the position they are called in to fill, whichever is greater. In the event the employee is not needed for four (4) full hours, the employee will be given the option of leaving early and receiving pay for the employee's actual hours worked.

4.11 Overtime Pay: Overtime shall be one and one-half (1 1/2) times the regular rate of pay. All employees shall be paid overtime for all hours worked over eight (8) hours per day, or forty (40) hours in a work week. Overtime payments shall not be pyramided. A work week period shall begin with the start of a shift on a specified day and time and end with the close of the shift commencing at a specified day and time seven (7) days later.

4.12 Notice of Absence to Employer: All employees on the day shift shall be required whenever reasonably possible to give Employer two (2) hours' notice if they are unable to report for work. All employees on the PM and night shifts shall be required whenever reasonably possible to give Employer three (3) hours' notice if they are unable to report for work.

ARTICLE 5

WAGES

5.1 Wage Schedules: The minimum schedule of wages and related wage provisions of this agreement appear in Appendix A.

5.2 Mileage Allowance: The Employer will use the current IRS allowance for mileage reimbursement when an employee is required to travel.

5.3 Trainer/Preceptor Premium: **One dollar (\$1.00)** per hour extra will be paid to employees when performing trainer/preceptor duties. The facility, if it uses preceptors will have a written description of the preceptor duties.

5.4 Assistant Housekeeping/Laundry Supervisor Premium: An employee designated as either Assistant Housekeeping Supervisor or Assistant Laundry Supervisor shall receive a premium of twenty (\$0.20) cents per hour in addition to her/his regular pay rate for all hours worked or paid under the provisions of this Agreement.

5.5 Maintenance On-Call Pay: A Maintenance employee who has been designated as on call shall receive compensation in the following manner.

B. Should the employee need to go to the facility.

One and one-half (1& ½) the employee's regular rate of pay for all time spent from call time until leaving the facility, in addition the employee shall receive compensation for travel at the current IRS mileage allowance for the round trip. A minimum of one (1) hour of pay shall be paid in any instance of reporting to the facility.

5.6 Mandatory In-Service - Time Worked: Time paid for attending mandatory in-services outside the regular work schedule will be considered time worked for the purposes of overtime. If the Employer posts a non-mandatory in-service meeting notice, it will also state whether employees will be paid for their time when attending the meeting.

5.7 Experience Credit: Employees who have worked in other long-term care facilities or related industries will receive credit for prior years of equivalent experience at the rate of one (1) year's credit for each year of prior experience, up to a maximum of twelve (12) years' credit. In awarding such experience credit, wages will be determined by the then-applicable hiring wage grid.

Experience credit generally will be verified through work-related references prior to extending a conditional offer of employment. In the event a new employee has difficulty receiving verification of employment from previous employers, such difficulty will be discussed and resolved on an individual basis. For purposes of this section, a year of prior experience credit will be based on prior employment on a full-time basis (i.e., defined as a minimum of thirty-two (32) hours per pay period, or 1664 hours per credited year of experience).

Good Samaritan employees who previously worked at this facility and are rehired to their previous classification will receive no less than the rate they left at, unless they are hired back in a different classification, in which case, Section 5.8 would apply.

5.8 Transfers Between Departments: Employees transferring between departments covered by this Agreement shall have their pay adjusted up or down, as the case may be, based on the difference in the start rates between the employee's former and new classification.

5.9 Hour Paid Equals Hour Worked for Benefits: Any hour paid shall be considered an hour worked for purposes of computing any employee benefits under this Agreement, unless otherwise prohibited by the PPACA. Other than benefits governed by the PPACA, a maximum of 2080 hours will be credited toward benefits in any year.

5.10 Terminated Employees: An employee who quits or has been terminated prior to the effective date of the negotiated adjustment-to-gross shall not be entitled to an adjustment-to-gross for that calendar quarter.

5.11 New Classifications - Rate of Pay: If any new classifications are instituted, the rate of pay shall be negotiated at that time.

5.12 Incentive Programs: The parties recognize that the Employer may need to implement new monetary incentives and/or increase existing incentives on a temporary or emergency basis in order to ensure appropriate staffing levels, to improve operational efficiencies, and/or to capitalize on state or federal reimbursement programs. Upon advance notice to the Union, the Employer may implement new monetary incentives and/or increase existing incentives on a trial basis for up to six (6) months. At any time during this trial period, the Union may request the opportunity to meet and confer regarding the ongoing terms and conditions of such incentive programs.

ARTICLE 6

Employees working on any of the above holidays shall receive 1 ½ times their regular rate of pay for such time worked and, in addition, shall receive holiday pay based on average hours worked over the last four (4) biweekly pay periods. Employees who do not work on the designated holidays shall receive holiday pay based on their average hours worked over the last four (4) biweekly pay periods. Employees who are scheduled to work on a holiday but who do not work on a holiday shall not receive holiday pay, except in case of excused absence or illness where satisfactory proof of such illness is furnished by the employee, PTO may be used.

6.3 Scheduling of Christmas and New Year's Holidays: Each employee will be designated as either an "A" or a "B." "A" employees will be scheduled for three (3) holidays and "B" employees will be scheduled for three (3) holidays. The next year, "A" employees will work the "B" holidays, and the "B" employees will work the "A" holidays.

- A. The following are "A" holidays: Fourth of July, Thanksgiving Day, and New Year's Day. The following are "B" holidays: Memorial Day, Labor Day and Christmas Day.
- B. Easter Sunday. The scheduling of Easter Sunday shall be on an employee's normal rotation.

ARTICLE 7

SENIORITY

7.1 Seniority Defined: Bargaining Unit Seniority shall be defined as the employee's length of continuous service with the employer in the bargaining unit commencing with the date on which the employee began to work after last being hired. Such seniority shall be used to determine eligibility for all benefits which are available to the entire bargaining unit (i.e. health insurance, vacation, etc.) and other purposes as may be defined elsewhere in the agreement.

7.2 Seniority Classifications: For temporary lay-off (as defined in 7.4) the following seniority classification shall be implemented:

7.4 Reduction in Hours: Reduction in hours shall be considered a partial layoff. When a layoff or reduction in hours shall be deemed by the Employer to be necessary, the Employer shall first request volunteers. An employee who volunteers for an hours reduction shall be entitled to reinstatement of hours with the next posting of a schedule following submission, in writing, of desire for reinstatement. Such reinstatement shall be to prior position and hours. If no employee volunteers, the reduction shall be as follows:

- A. Temporary Layoff: (defined as a layoff of thirty (30) days or less). A temporary layoff shall be limited to the least senior employee in the classification the layoff affects.
- B. Permanent Layoff: (defined as a layoff of more than thirty (30) days). Should a permanent layoff occur, an employee affected may exercise his/her bargaining unit seniority and shall be afforded the same opportunity to become proficient as a new hire.

Should an employee exercise rights under this provision and subsequently requests or is deemed unable to perform the duties of the position claimed, she/he shall be returned to the hours and job within his/her classification that was offered at the time of layoff, should a position be available.

Should hours contained in layoff subsequently be restored, an employee affected by layoff shall first be offered full reinstatement prior to posting of said position or hours, as required.

Such probationary period may be extended up to an additional thirty (30) days if by the fifty-fifth (55th) day of employment the Employer requests said extension of the Union. Notice of extension, in writing, signed and dated by the employee affected by the extension and received by the Union shall constitute a request.

7.8 Resolution of Seniority Issues: Any controversy over seniority standing or relative to any question of seniority shall be subject to adjustment, settlement or arbitration in the same manner as other controversies arising under this Agreement.

ARTICLE 8

TERMINATION OF EMPLOYMENT

8.1 Just Cause: Employees may not be suspended, demoted or discharged except for just cause. No grievance relating to any disciplinary action shall be valid unless submitted to the Employer in writing within ten (10) days after suspension, demotion or discharge in question.

In case of discharge, the employee affected may request and shall receive from the Employer in writing the reason for said dismissal.

8.2 Progressive Discipline: The Employer shall implement a system of progressive discipline to correct discrepancies from expected behavior and job performance. Any written documentation of discrepancies shall be placed in the employee's personnel file. Except in cases that are vulnerable adult related, if a violation has not been repeated and recorded for a period of one (1) year, the written documentation of that incident shall be placed in an inactive file. This file shall not be referred to in cases of discipline and discharge. If no further infractions occur for a period of one (1) year, such discipline shall be considered inactive.

8.3 Discipline/Termination: Employees covered by this Agreement electing to resign or quit their employment shall give the Employer two (2) weeks written notice and shall continue in the Employer's service during this two (2) week period, with the exception that the employee may leave sooner when competent replacement can be made by the Employer. The Employer is to furnish printed forms of such resignation. Employees who terminate their employment without giving the Employer the required notice or leave their employment before the end of the two (2) week period shall forfeit all accrued vacation time since their last anniversary date of employment and other

benefits to which such employees may be entitled, except wages earned and earned vacation pay through the date of their last employment. The Employer shall give regular full-time employees two (2) weeks' written notice of termination or two (2) weeks' pay in lieu thereof, except in the case of a discharge for just cause.

8.4 Failure to Report to Work: If the employee fails to report for work as scheduled, or to furnish the Employer with a justifiable excuse within twenty-four (24) hours thereof, such failure to report to work shall be conclusively presumed to be a resignation from the service of the Employer and termination of such employee's seniority and employment, provided, however, that if such employee can within three (3) days furnish the Employer with reasonable proof that such employee could not notify the Employer of his absence because of illness or unforeseen emergency, then such employee shall be reinstated without any break in the service record.

ARTICLE 9

ARBITRATION

Any dispute relating to the interpretation of or adherence to the terms and provisions of this Agreement shall be handled in accordance with the following procedures:

- Step 1. Except as otherwise provided in "Step 2" with respect to grievances relating to wages, within fifteen (15) calendar days of the incident giving rise to the grievance, the aggrieved employee and/or Union shall attempt to adjust the grievance with the supervisor.
- Step 2. If the grievance is not resolved in Step 1, it shall be reduced to writing, shall specify in detail the alleged violation of the Agreement, and shall be received by the Employer no later than fifteen (15) calendar days following the Step 1 meeting. Grievances relating to wages shall be timely if received by the Employer no later than sixty (60) calendar days following the date of receipt of the check by the employee.

Within seven (7) calendar days following receipt of the grievance by the Employer, representatives of the Employer and the Union shall meet and attempt to resolve the grievance. The time for said meeting may be extended by mutual agreement.

- Step 3. If the parties are unable to resolve the grievance in Step 2 they may, by mutual agreement, take this matter to Federal Mediation and Conciliation Services. It shall be non-binding unless the parties agree in advance to adhere to the decision of the mediator.

Step 4. If the grievance is not resolved in Step 2 or Step 3, either party may refer the matter to arbitration. Any demand for arbitration shall be in writing and must be received by the other party within ten (10) calendar days following the Step 2 or Step 3 meeting. The Employer and the Union shall attempt to agree on a neutral arbitrator who shall hear and determine the dispute. If no agreement is reached, the arbitrator shall be selected from a list of seven (7) neutral arbitrators to be submitted to the parties by the Federal Mediation and Conciliation Service. The Employer and Union shall each alternately strike one (1) name, and the order of striking shall be determined by chance. The remaining arbitrator, after each party has made three (3) strikes, shall hear and determine the dispute.

The authority of the arbitrator shall be limited to making an award relating to the interpretation of or adherence to the written provisions of this Agreement, and the arbitrator shall have no authority to add to, subtract from or modify in any manner the terms and provisions of this Agreement. The award of the arbitrator shall be confined to the issues raised in the written grievance and the arbitrator shall have no power to decide any other issue.

The award of the arbitrator shall be made within thirty (30) calendar days following the close of the hearing. The award of the arbitrator shall be final and binding upon the Employer, Union and employees involved. The fees and expenses of the neutral arbitrator shall be divided equally between the Employer and the Union.

The time limitations set forth herein relating to the time for filing a grievance and the demand for arbitration shall be mandatory. Failure to follow said time limitations shall result in the grievance being permanently barred, waived or forfeited, and shall not be submitted to arbitration. The time limitations provided herein may be extended by mutual agreement of the parties.

ARTICLE 10

PAID TIME OFF ("PTO")

10.1 Paid Time Off. Paid Time Off ("PTO") is available to cover an employee's needs for time away from work including: vacation, illness or other leaves.

Active Full-Time and Active Part-Time employees earn PTO hours based on the multiplier used times the hours paid each pay period, excluding overtime hours. Active Temporary and On-Call employees do not earn PTO. The longer an employee remains employed, the larger the multiplier will be, based on the table which follows.

Earned PTO hours are calculated by multiplying an employee's paid hours for each pay period (excluding overtime) by the appropriate multiplier. The following chart gives examples of PTO hours earned during the twelve-month period from one anniversary to the next anniversary by active full-time hourly employees. PTO hours for active part-time employees are prorated according to the hours paid.

Years of Service	Multiplier Per Hour Paid	Maximum You May Earn Per Year If Working 2,080 hours	Amount Earned per Pay Period
Less than 1 year	.050	104 hours (13 days)	4.0000 hours
More than 1 year Less than 4 years	.0692	144 hours (18 days)	5.5360 hours
More than 4 years Less than 9 years	.0885	184 hours (23 days)	7.0800 hours
More than 9 years	.1077	224 hours (28 days)	8.6160 hours

However, two (2) rest periods shall be provided whenever an employee is required to work seven (7) or more hours in a day. All lunch periods shall be on the employee's own time and rest periods on the Employer's time. Rest periods and lunch periods will be scheduled by the Employer at reasonable times, spacing them equally apart yet not interfering with resident cares.

11.2 Unpaid Lunch Option for 12 or More Hours of Work: An employee working twelve (12) or more hours would have the option for an unpaid lunch period.

ARTICLE 12

LEAVES OF ABSENCE

12.1 Jury Duty: Employees must notify their supervisor immediately upon receiving notice of jury duty. Employees may be expected to work during scheduled hours before and after the actual hours of jury duty, as facility needs are considered. Employees who prefer not to do so will need to request vacation for that time off. All hours paid by the Employer for jury duty will be counted as worked hours.

Active full-time employees will be paid for their regularly scheduled hours at their base rate of pay. Such employees may keep the amount of pay they receive from the court for jury duty.

Active part-time employees will be paid based on their average number of hours worked over the last 4 bi-weekly pay periods at their base rate of pay. This will include any combination of worked hours and hours required for jury duty.

For example: if a part-time employee works an average of 24 hours per week and is able to work 2 days and is gone for jury duty for 1 or more days, s/he will be paid for 24 hours total (including 1 day of jury duty). If the employee is absent the entire week due to jury duty, s/he would still be paid for 24 hours. Such employees may keep the amount of pay they receive from the court for jury duty on the days and hours they were scheduled to work.

12.2 Injury, Illness or Maternity Leave: A leave of absence of up to 90 days (12 weeks if qualified for FMLA) shall be granted to non-probationary employees unable to work because of illness, injury or maternity. Employees who have accumulated paid time off must use such paid time off concurrently with the leave. Extensions may be granted for up to one year at the Administrator's discretion upon written request setting forth reasons for the request. The leave may be renewed for an additional year at the Administrator's discretion. The Employer agrees to abide by the obligations of the Family and Medical Leave Act and Minnesota's Parental Leave Act.

12.3 Personal Leave of Absence: An employee may be granted a leave of absence not to exceed ninety (90) days upon written permission from the Employer.

12.4 Reinstatement Upon Return from Leave: An employee who returns from an injury, illness, maternity or personal leave within twelve (12) weeks of the commencement of the leave (ninety (90) days in the case of personal leaves) shall be reinstated to the same position, hours and rate of pay held before the leave began.

An employee who have been granted an additional injury, illness, or maternity leave and who returns within the time period designated by the leave, may be restored to any open and available position the employee is eligible and qualified to perform.

The reinstatement shall begin with the payroll period being scheduled following written notification by the employee to the Employer of the intention and ability to return to work.

This will be accomplished by dealing with issues directly and openly and without fear of reprisal.

A staffing committee will continue to be utilized for the primary purpose of discussing staffing issues and relative matters. The committee will consist of both labor and management and will be trained by Federal Mediation and Conciliation Services.

20.2.1 Time Off For Union Business: Employer shall grant the necessary time without pay and without discrimination to any employee designated by the Union to attend a labor convention or to serve in any capacity on other official Union business so long as it does not interfere with the Employer's business.
