UNITED FOOD AND COMMERCIAL WORKERS UNION LOCAL #1189

Chartered by the

UNITED FOOD AND COMMERCIAL WORKERS INTERNATIONAL UNION

THIS AGREEMENT made this day of **February 1, 2021** by and between **The Waterview Pines** or hereinafter referred to as the EMPLOYER, and the United Food and Commercial Workers Union, Local 1189, chartered by the United Food and Commercial Workers International Union hereinafter referred to as the UNION.

UNION MANAGEMENT RELATIONSHIP

The Employer recognizes the established rights, responsibilities, and values of the Union and has no objection to its Employees becoming members of the Union, responsible in conjunction with the Employer and for making and keeping this Agreement.

The Union agrees to do all in its power to discourage and prevent any irregular interruptions in the efficient operation of the Employer's business and agrees that the Employer has the right to take appropriate disciplinary action against any Employee or Employees participating in or responsible for such interruptions. Any complaints as to the propriety of the disciplinary action taken by the Employer in such cases shall be taken up through the grievance procedure set up herein.

In consideration of mutual promises herein contained and for the purpose of creating a working agreement by and between the Employer and its Employees and the Union, the parties hereto mutually covenant and agree to and with each other as follows:

ARTICLE 1 RECOGNITION OF UNION

- 1.1 For the purpose of collective bargaining with respect to the hours of labor, rates of pay, and working conditions hereinafter specified, the Employer recognizes said Union as the sole representative of all of its Employees, excluding supervisory Employees, as defined by the National Labor Relations Act, Staffing Coordinator, Wellness Director, and the following United Steelworkers Union classifications as certified in NLRB Case 18-RC-16388 (Virginia Facility).

All full-time and regular part-time LPNs, Wellness Driver, Spiritual Consultant/Lay Minister, Accounts Payable Person, Non-Supervisory RN's, Social Worker.

1.2 It shall be a condition of employment that all Employees of the Employer covered by this Agreement who are members of the Union and in good standing on the date of execution of this Agreement shall remain members in good standing, and those who are not members on the date of the execution of this Agreement shall, on or after the thirty-first (31st) day following the execution of this Agreement, become and remain members in good standing in the Union. It shall also be a condition of employment that all Employees covered by this Agreement and hired on or after its date of execution shall on the thirty-first (31st) day following employment, become and remain members in good standing in the Union.

1.3 Dues Check-Off. The Employer agrees to deduct union dues, initiation fees, and assessments from the wages of Employees in the bargaining unit who provide the Employer with a voluntary, written authorization which shall not be revocable for a period of more than one (1) year, or beyond the termination date of this Agreement, whichever occurs sooner. Such deductions will be made by the Employer from the wages of Employees for the last pay period of each calendar month and will be transmitted to the Union by the 15th day of the following month. The Employer agrees under the contract requirements above to provide a new Employee with a Union Membership Application and Dues Authorization at the time of hire. The Union agrees that, should the Employer take an initial deduction prior to the completion of thirty-one (31) days of employment, such amount shall be promptly refunded by the Union to the Employee upon request.

In the event no wages are then due the Employee, or are insufficient to cover the required deduction, the deduction for such month shall nevertheless be made from the first wages of adequate amount next due the Employee and thereupon transmitted to the Union.

Either party shall promptly notify the other in writing of any revocation of the aforesaid authorization.

Employer agrees to allow the Union to meet with new Employees to discuss Union business directly after New Associate Welcome provided both Union Steward and Employees are not receiving compensation for this time.

1.4 Accretion: This Agreement shall apply to the Employer's operations as performed on the effective date of this Agreement, and this Agreement and Union representation thereunder shall also extend to any extension, expansion or relocation of such present and related operations in the geographical area of jurisdiction that is covered under the charter of this Local Union.

1.5 Successor Clause: In the event of any sale, purchase, merger or other transaction affecting ownership of Employer's business or ownership of the assets of Employer's business, Employer shall make known to the Union prior to

said transaction the nature of the transaction and further shall make known to all parties to the transaction the terms and conditions of this Agreement.

Following any such transaction, Employer shall use its best efforts to assure that:

- A. All Employees shall be provided employment by the successor Employer.
- B. A new seniority list shall be drafted and posted by the successor Employer upon which the seniority of each Employee will date from his earliest date of employment with the Employer or the successor Employer. The seniority date on the successor Employer's seniority list shall remain the same date of employment as the previous Employer.
- C. If there is to be a reduction in work force as a result of such transaction, any such reduction shall be in inverse order according to the amount of continuous service of the Employees with the Employer or the successor Employer; and
- D. Service by the Employees with the Employer shall be included whenever continuous service is required for other benefits or practices instituted by the successor Employer.

Any department or space leased, or a new department operated by the Employer, shall be covered by an appropriate collective bargaining agreement negotiated between the Employer and the Union.

- 1.6 The Union Contract will not cover non-certified nurse's aides, who will have to complete a forty-five (45) calendar day training period before coming under the jurisdiction of the Union Contract and starting their probationary period.

ARTICLE 2

HOURS OF WORK

2.1 Normal Hours:

- A. Except as provided in Section 2.1B, the normal hours of work shall be eight (8) per day and eighty (80) hours in each two-week period. All hours worked in excess of eight (8) per day and eighty (80) hours in each two-week period shall be considered overtime and shall be compensated for at a time and one-half (1½) rate.

For Employees in the Therapy department, Health Information department, and the maintenance technician the normal work week will be forty (40) hours per week. All hours worked in excess of forty (40) hours per week shall be considered overtime and shall be compensated at a rate of time and one half (1 ½).

2.2 Work schedules will be posted **fourteen (14)** days before implementation. When changes to the work schedule are made affecting an Employee, the Employer shall notify the Employee at their place of residence or by a verbal or written notice directly to the Employee for the Employer. Issues regarding proper scheduling must be raised by the Employee prior to Noon on the Monday preceding the start of the schedule so affected.

2.3 The Employer shall endeavor to so schedule Employees to provide for every other weekend (Saturday and Sunday) off. In the event not all of the Employees can be so scheduled, the most junior Employees will be scheduled not more than three (3) consecutive weekends guaranteeing the Employee the fourth weekend (Saturday and Sunday off). A Saturday worked or a Sunday worked constitutes a weekend worked.

For the purpose of weekend work, under Section 2.3, a weekend shift is an eight (8) hour shift, or two (2) four (4) hour Saturday and Sunday shifts in the same weekend.

If an employee is regularly scheduled to work weekends, 1, 3, and 5, and employee volunteers to work on weekend 2, then the employer will not be able to schedule the employee on weekend 4.

2.4 No Employee will be scheduled more than five (5) consecutive days unless mutually agreed between Employee and Employer. An Employee reporting for work at his/her regular scheduled starting time who has not been previously notified not to report for work shall receive a minimum of four (4) hours work that day or four (4) hours straight time in lieu thereof.

2.5 Rest Periods and Meal Periods:

A. Employees working a minimum of four (4) consecutive hours will be entitled to one (1) fifteen (15) minute rest period.

B. Employees working a shift of five (5) hours or more shall be entitled to two (2) fifteen (15) minute rest periods.

C. Employees working a shift of six (6) hours or more shall be entitled to two (2) fifteen (15) minute rest periods and a thirty (30) minute unpaid meal period.

2.6 Rest periods shall be scheduled by the Employer so as not to interfere with the operation of the Employer's operations.

2.7 All Employees who are required to attend in-service meetings at times when they are not scheduled to work shall receive pay thereof at their regular rate of pay and any such hours so spent shall be included in total hours worked for the purpose or computing overtime.

When a mandatory in-service would require an Employee to work a sixth consecutive day, the Employee may attend the live in-service presentation on the sixth day or view a replay of the in-service within two (2) weeks of the live in-service, without receiving discipline for failing to attend the mandatory in-service. If the Employee fails to attend or view the in-service within two weeks, the Employee shall be subject to normal disciplinary process for failing to attend a mandatory in-service.

- 2.8 The Employer agrees that split shift work will not be scheduled.

If an Employee works with less than ten (10) hours between shifts, the hours worked on the second shift will be paid at time and one-half (1 ½).

- 2.9 The normal shift will be an eight and one-half (8½) hours shift inclusive of a thirty (30) minute unpaid meal period.

- 2.10 Call-Ins: Employees who are called in for a shift other than their scheduled shift will be paid for the whole shift up to eight (8) hours provided they report to work within a reasonable period after receiving a call. Call-in hours will be included in figuring overtime.

- 2.11 The Employer agrees to offer overtime to the more senior Employees within their seniority unit, provided they are qualified to do the work, but at no time shall the Employer be left without a sufficient number of Employees to do the work.

If the Employer is notified by an Employee with "short-notice", the Employer may bypass the call list and ask those already on the shift to stay or do what is needed to fill the shift.

Short notice will be defined as one (1) hour before the beginning of a shift.

- 2.12 For all purposes, the first shift of the day shall be defined as the day shift.

- 2.13 After the schedule is posted and open shifts become available, the Employer must start at the top of the seniority list and offer the shift down the lines (anyone less than 80 hours).

Mandation: The Employer will make every effort to schedule in such a way as to avoid the necessity for mandation. If mandation is necessary, the following procedure shall be followed:

1. If an Employee has not worked the shift requiring mandation, they will not be mandated unless they have worked at the facility for three (3) or more months
2. The Employer shall develop and maintain a list for the purposes of assigning mandation. The list will be comprised of all employees eligible for mandation. The list will track who has been mandated and

when they were last mandated. The list will be organized in order of reverse seniority and updated as mandation occurs.

3. When mandation is necessary, the Employer will first ask for volunteers. If there are no volunteers, mandation will occur by reverse seniority based on the mandation list. Once an Employee has been mandated they will go to the bottom of the list.

2.14 No Employee will be allowed to bump another Employee out of their posted schedule or scheduled shift. Regular scheduled days cannot be taken away from an Employee for scheduling purposes, unless requested by the Employee or if it would cause the Employee to work more than five (5) days in a row.

2.15 Temporary Summer Holiday Replacement Employees:

The Employer may employ temporary and designate as such Summer and Holiday Replacement Employees from May 1st through September 30th of each year, and, if applicable, during educational holiday periods for Easter (Spring Break), Thanksgiving and Christmas holidays. The primary purpose of these Employees is to fill-in for vacations and holidays in the time periods identified above. Employees hired for summer replacement shall not be covered by the terms of this collective bargaining agreement.

It is understood that Summer Holiday Replacement Employees may pick up open available hours on the schedule or available hours after the schedule has been posted only after the regular bargaining unit Employees have been offered the hours, as provided in this collective bargaining agreement.

If a Summer and Holiday Replacement Employee is offered work beyond September 30 (other than hours offered for the Easter (Spring Break), Thanksgiving and Christmas holidays), the Employee shall be treated as a regular Employee for all purposes, and the Employee's seniority shall date back to the date of the commencement of the most recent Summer Replacement employment. This date will be no earlier than May 1 of the then-current year. Upon becoming a regular Employee, the Employee shall become eligible for pension, health and welfare on the same terms and conditions as set forth in this collective bargaining agreement.

The Employer will notify the Union that a Summer and Holiday Replacement Employee has become a regular Employee within ten (10) days.

It is not the intent of the parties to provide a Summer and Holiday Replacement Employee with any right or benefit greater than the Employee covered by this collective bargaining agreement, other than the assignment of the seniority date as set for in paragraph three.

Regular employees may not vacate their regular posted shifts to work a vacant shift.

2.16 Flex Schedule:

Flex Schedule employees are those employees who are not regularly scheduled.

All Flex Schedule employees will receive Holiday Pay for Holidays actually worked. Flex Schedule Employees will receive no other benefits under this Agreement and shall not be eligible for any other incentive pays under this Agreement, including differential pay.

Effective January 1, 2016: Flex Schedule Employees who work at least one-hundred twenty (120) or more hours per two payroll periods will be eligible to participate in the Plan.

Flex-Schedule Employees may bid on posted permanent and temporary hours only after benefited Employees have had the opportunity to fill the position. Flex-Schedule Employees shall be awarded permanent positions on a seniority basis before non-Employees.

Flex schedule employees shall be scheduled to work one (1) week-end per pay period.

In departments where there are less than twenty (20) employees, the weekend requirements would not apply.

Wage rates for Flex-Schedule Employees shall be the same as the rates for regular Employees listed in Appendix "A".

All Flex-Schedule Employees must be contacted by the Employer in an order determined by the Employer to see if they are available for work before regular Employees can be mandated. Contact means the Employer has called the Employee at the phone number provided to the Employer by the Employee. The Employer shall keep records of its attempts to contact, as it does when contacting regular Employees for open hours.

Flex-Schedule Employees will have seniority within their own group based on date of hire as Flex-Schedule Employees for the purpose of scheduling hours. Regular Employees will have seniority over Flex-Schedule Employees.

- 2.17 Employees must use any earned vacation time when requesting regular scheduled workdays off, unless the Employee finds their own suitable replacement, provided the needs of the facility are recognized.

ARTICLE 3
HOLIDAYS

3.1 It is agreed that any regular Employee who works forty (40) hours or more during the two-week payroll period in which the holiday falls shall receive holiday pay for the following seven (7) holidays or days celebrated as such: Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, Christmas Day, New Year's Day and Easter.

3.2 Personal Day

Effective January 1st, 2014, in addition to the foregoing holidays, each anniversary year, all regularly scheduled Employees with one (1) year of service shall be entitled to receive one (1) paid personal day for the number of hours the Employee would have been scheduled that day.

Employees with ten (10) years or more of service will be entitled to receive one (1) additional paid personal day for the number of hours the Employee would have been scheduled that day.

Employees with fifteen (15) years or more of service will be entitled to receive one (1) additional paid personal day for the number of hours the Employee would have been scheduled that day

Employees with twenty (20) or more years of service will be entitled to one (1) additional paid Personal Day for the number of hours the employee would have been scheduled that day.

Employees with twenty-five (25) or more years of service will be entitled to one (1) additional paid Personal Day for the number of hours the Employee would have been scheduled that day.

Personal days are to be considered working days for purposes of scheduling and payroll. If an Employee works more than one (1) shift during the two-week pay period in which the day falls, the Employee will receive pay equal to the number of hours on the prevailing shift. Seven (7) days written notice shall be given prior to the schedule being posted. Personal days can be taken any day the Employee wishes, including Saturday, Sunday or holidays. Personal days can be taken on the Employee's day off by mutual agreement between the Employer and the Employee.

Length of Service	Personal Holidays
1 Year	1 Personal Day
10 Years	2 Personal Days
15 Years	3 Personal Days
20 Years	4 Personal Days
25 Years	5 Personal Days

- 3.3 Employees who work on the above-named holidays: Employees shall receive pay at two (2) times their straight-time hourly rate for all hours worked in lieu of holiday pay, as defined in Section 3.4. Actual hours worked on the holiday shall be counted as time worked for the purpose of computing overtime for that week. Effective January 1st, 2006, employees working the p.m. shift on Christmas Eve will receive holiday worked pay.
- 3.4 Effective January 1st, 2006, regularly scheduled employees, who worked at least forty (40) hours in the pay period in which the Holiday falls and are not scheduled to work on the Holiday, shall receive straight-time pay for the Holiday for the prevailing number of hours worked per day during the payroll period the Holiday falls in.
- 3.5 The first shift of the holiday shall be defined as the midnight shift prior to the holiday.
- 3.6 To receive holiday pay for a Holiday Not Worked, Employees must work their last scheduled work day before the holiday and their first scheduled work day after a holiday, unless the Employee was sent home by the Employer, was hospitalized, or there was a death in the family, an act of God, or any other excuse acceptable to the Employer.

ARTICLE 4 **SENIORITY**

- 4.1 If an employee transfers from one department to another, the employee's seniority in the first department shall be frozen. The employee's seniority in the second department shall then commence. If a benefited Employee transfers to a Flex Employee position, they will forfeit all frozen departmental seniority.

If an employee's position is eliminated, the employee may exercise frozen departmental seniority from the first department to permit the employee to work a position in the first department; provided the employee is qualified and available to perform the work.

An Employee who is on lay-off status will maintain seniority for a period of twelve (12) months or the length of their employment, whichever is less.

- 4.2 A. Employees shall be probationary Employees for the first ninety (90) calendar days of employment and during such period may be discharged by the Employer without cause and without the same causing a breach of this contract or constituting a grievance there under. The Union will grant one (1) thirty (30) day extension of the probationary period when necessary for good reasons. Probationary Employees have no seniority under this agreement. Upon completion of the probationary period, seniority will date back to the date of hire.

B. Employees transferring to a Flex Employee position forfeit all frozen departmental seniority. A Flex Employee who accepts a Regular Benefited Position will have seniority begin to accrue as of the first date that the employee begins working in the Benefited Position.

An employee transferring from Flex Employee Status to a Regular Benefited Position will be treated as a new employee in relation to benefits including but not limited to Seniority, Personal Days, Vacations, Pension Contributions, Health and Welfare Contributions, etc.

4.3 Any controversy over seniority standing or relative to any questions of seniority shall be subject to adjustment, settlement and arbitration in the same manner as other controversies arising under this contract.

4.4 Seniority listing by classification of all Employees shall be posted in a conspicuous place and kept current every six (6) months.

4.5 Posting Vacancies: If any regularly scheduled vacancy shall occur in any of the designated departments, such vacancy shall be posted as to shift, number of hours, and days of the week on the bulletin board for five (5) working days. The department shall fill such vacancy from Employees bidding within the department in which such vacancy occurs on the basis of qualifications, ability, and physical fitness. When these are relatively equal, seniority shall govern. If no one in the department in which the vacancy occurs bids, or if such applicant is not qualified, then the department shall fill the vacancy from the Employees applying from outside the department with frozen department seniority on the basis as above. If no one in the department in which the vacancy occurs, bids, or if such applicant is not qualified, then the department shall fill the vacancy from employees applying outside the department with Unit wide seniority on the basis as above. All positions shall be guaranteed permanent as to days, afternoons or nights.

The Employer during such five (5) days may assign temporarily any Employee to such vacancy. The above shall apply when a vacancy occurs with proper notice by the Employee leaving. No positions will be posted with rotating shifts unless agreed to and signed by the Employer and Employee. When an Employee is going on vacation, they may submit a pre-bid listing for the job, minimum number of hours and the shift desired for any vacancy that may occur while on vacation.

4.6 When scheduling open shifts in the Nursing Department, the hours shall first be offered to Nurse Aides in the department. After making that offer, the Employer may offer open shifts to Nurse Aide Certified Employees regularly assigned outside the Nursing Department. If more than one Employee bids for the open shift, seniority will govern the award of those open shifts. The Employer may offer these hours outside the Nursing Department before offering overtime hours within the Nursing Department.

ARTICLE 5
TERMINATION OF EMPLOYMENT

- 5.1 Employees covered by this Agreement, electing to resign or quit their employment will give the Employer fourteen (14) calendar days written notice and shall continue in the Employer's service during this fourteen (14) day period, with the exception that the Employee may leave sooner if a competent replacement can be found by the Employer. The Employer is to furnish printed forms of such resignation.
- 5.2 If an Employee fails to report for work as scheduled or to furnish the Employer with a justifiable excuse therefore within twenty-four (24) hours thereof, such failure to report to work shall be conclusively presumed to be a resignation from the service of the Employer and a termination of such Employee's seniority and employment.

ARTICLE 6
DISCHARGE

- 6.1 With respect to discharge, the Employer shall give at least one (1) warning notice of a complaint against an Employee to the Employee, in writing, and a copy of the same to the Union prior to discharge.
No such warning notice need be given to an Employee where the Employee is discharged for "just cause."

The term "just cause" shall include but not be limited to:

1. Dishonesty
2. Incompetence
3. Racial Intolerance
4. Drunkenness
5. Drinking on the job

13. Violence on the premises
14. Gross insubordination
15. Disrespectful treatment of patients and residents in any form or degree

16. Physical or psychological abuse of patients and residents in any form or degree
- 6.2 In addition to the foregoing, no warning notice need be given in the instance of a "suspension," which is defined as a removal from the payroll for a period of time with a right to be reinstated without loss of seniority at the end of said period of time.
- 6.3 A warning notice, as herein provided, shall not remain in effect for a period of more than twelve (12) months from the date of the warning notice.

In cases of resident abuse, neglect, or disrespectful treatment, warning notices shall remain in effect for a period of ten (10) years.

All discharges must be by proper written notice to the Employee and the Union.

- 6.4 Any Employee may request an investigation as to his/her discharge or suspension. Should such investigation prove that an injustice has been done to an Employee; the Employee shall be reinstated and compensated at the Employee's usual rate of pay while the Employee has been out of work.

Appeal from discharge or suspension must be taken within ten (10) days of such discharge or suspension by written notice and a decision reached within fifteen (15) days. The case shall then be taken up as provided for in the grievance procedure of this Agreement.

ARTICLE 7

GRIEVANCE PROCEDURE

- 7.1 Should a difference arise between the Employer and the Union or Employees as to the meaning and application of the provisions of this Agreement, or as to the compliance of either party with any of its obligations under this Agreement, an earnest effort shall be made promptly to settle such difference immediately under the following procedure by negotiations:
- Step 1. Between the Employee, Union Steward or co-worker, and the Department Head within five (5) days after the discovery of the difference. Any difference/grievance that arises about proper scheduling will only be timely if raised prior to Noon on the Monday preceding the start of the schedule so affected.
- Step 2. If not resolved within five (5) days of meeting with the Department Head, the Employee or Steward should promptly request a meeting be scheduled with the Administrator.

Step 3. If the Employee is not satisfied with the Administrator's decision from the Step 2 scheduled meeting, the Employee or Union Steward must inform the Administrator in writing within ten (10) days of said meeting. If the Administrator's decision is not appealed in writing within the ten (10) days, the grievance shall be considered waived.

- 7.2 The Administrator upon written notice of appeal of the decision by the Employee or Union Steward shall have ten (10) days to respond to the Union Representative in writing of said appeal. Failure to notify the Union Representative within the ten (10) days will automatically resolve the grievance in favor of the Employee(s).

Any grievance which has not been resolved within forty-five (45) days of notification to the Union Representative shall be permanently closed, unless arbitration procedures have been requested. Any of the timeframes as stated above in sections 7.1 and 7.2 may be extended by mutual agreement of the parties.

The parties may agree to request that the Federal Mediation and Conciliation Service mediate the prior to submission to arbitration. In the event that mediation is agreed to, a request for arbitration must be received by the other party within forty-five (45) days following the completion of mediation.

- 7.3 The Union Representative may be involved at any step of the grievance procedure. At any step of this grievance procedure, the Executive Committee of the Local Union shall have the final authority, in respect to any aggrieved Employee covered by this Agreement, to decline to process a grievance, complaint, difficulty or dispute further if, in the judgment of the Executive committee, such grievance or dispute lacks merit or lacks justification under the terms of this Agreement, or has been adjusted or justified under the terms of this Agreement to the satisfaction of the Union Executive Committee.
- 7.4 If the Employer and the Union cannot agree on a mutually acceptable neutral arbitrator within three (3) additional days, the party initiating the arbitration procedure shall request a panel of five (5) names from the Federal Mediation and Conciliation Service.

The neutral arbitrator shall be selected from the list submitted unless the parties mutually agree otherwise. The selection shall be made by alternately striking four (4) names, the party to make the first strike being determined by drawing lots. The remaining name shall be the neutral arbitrator.

- 7.5 The entire matter in controversy as aforesaid shall be referred to the neutral arbitrator for disposition and whatever disposition is made shall be binding upon the Union, Employee and Employer. However, the arbitrator shall not have the power to add to or modify any of the terms or conditions of this Agreement.

- 7.6 The decision of the neutral arbitrator shall be final. Should any expense be involved for the service of the above-mentioned neutral arbitration such expense shall be borne equally by the Employer and the Union.
- 7.7 The Union will not authorize, assist or support any strike or stoppage of work because of any matter covered by this Agreement for which procedure for settlement herein provided is available, but has not been utilized.

Participation in any strike, slow-down or stoppage of work brought either by action of the Union in violation of this Agreement or by action of individuals or groups without Union authority shall be just cause for dismissal or discipline by the Employer, subject to the grievance procedure herein provided.

Vacation time may be taken in single days by working out a written mutual agreement between the Employer and the Employee. Requests for vacation in single days must be requested seven (7) days in advance of the schedule being posted.

- 8.7 A former Employee whose employment is terminated and who is subsequently re-employed by the Employer assumes the same status as a new Employee in regard to vacation allowances.

- 8.8 Vacation periods for sign-up only shall run January through December. All Employees shall list their preference for vacation periods during the month of November for the following year. The Employer shall confirm the vacation period with the Employee by December 15th of each year. No vacation shall be granted to any Employee for a period of less than seven (7) consecutive days, unless mutually agreed to the contrary.

The Employer will leave the confirmed vacation schedule posted from December 1st through December 15th of the following year.

Vacations shall, as far as possible, be granted for the period preferred by the Employees, the necessities of the business being recognized. As between the Employees requesting the same vacation period, the request of the senior Employees shall prevail.

- 8.9 If a holiday falls within the Employee's vacation period, the Employee shall receive one (1) additional vacation day during that vacation period.
- 8.10 Employees who are discharged for just cause or who fail to comply with Section 5.1 (Termination of Employment) of this Agreement shall be paid earned vacation only. Employees who comply with section 5.1 will be paid all earned and accrued vacation.

Trial Rotation of Mandating for Midnight Shift Call-Ins

The parties agree that beginning 5/31/2018 we will trial a program rotating potential mandation for a period of eight (8) weeks. This will apply to mandation of shifts from the afternoon shift into the midnight shift.

Prior to the schedule being finalized, each afternoon shift employee will sign up for a shift that they would be the person that would stay if mandating is required. If more than one person signs up for the same day, the person with the most seniority will be given their preference first. If an employee does not sign up, the employer will assign the employees a day. The day assigned to the employee will be indicated on the schedule with a star (*).

If there is a midnight shift call-in, the Employer will follow procedure in asking all employees to stay. If all employees refuse to stay the person that was designated to stay will be required to stay. Failure to stay will result in progressive discipline. (Verbal Warning, Written Warning, Suspension/Final Notice, Termination or wherever the employee is in the disciplinary process.)

FLEX SCHEDULE EMPLOYEES SCHEDULING

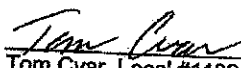

Article 2.15 of the current Collective Bargaining Agreement states:

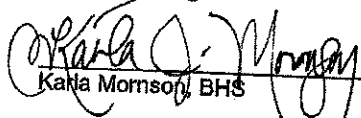

"Flex-Schedule employees shall be scheduled to work one (1) weekend per pay period."

The parties agree to the following clarification:

- One weekend per pay period means that the flex schedule employee will be scheduled a minimum of 16 hours of work on a weekend.
- The employer will try to accommodate flex schedule employee requests based on Flex seniority, but the employer retains the right to schedule flex employees based on the needs of the facility.
- This does not indicate that the employee will be scheduled every other weekend.
- This could include 16 hours on one day of the weekend; one 8-hour shift on a Saturday and one 8-hour shift on a Sunday on the same weekend; one 8-hour shift on both weekends, i.e. one 8-hour shift on the first Saturday and one 8-hour shift on the second Saturday.
- Additional shifts can be scheduled based on the flex employee's request and will be scheduled if the requested shift is available per the CBA.

By way of illustration, but not limitation, this includes a waiver and release of any rights or claims the Parties may have under, or for, the Minnesota Human Rights Act, the National Labor Relations Act, Worker Adjustment and Retraining Notification Act or any other similar state law, Employee Retirement Income Security Act, the Fair Labor Standards Act and any other state counterpart, all as amended; whistleblower claims, breach of fiduciary duty, libel, slander, defamation, breach of contract, promissory estoppel, conciliation or small claims court

8. Nothing in this Agreement is intended to be, nor shall be construed as, an admission of any breach, violation or wrongdoing by either Party with respect to any contract or local, state or federal ordinance, statute or common law.
9. If any provision of, or portion thereof, this Agreement is found to be unenforceable, illegal or void by a court or agency of competent jurisdiction, the other provisions, or the remainder of the unenforceable, illegal or any provision of this Agreement, shall remain valid and fully enforceable, and the court or agency shall interpret the remaining provisions, or insert such other terms, to effectuate the Parties' intent.

Re: Article 2.13 Shifts Available After the Schedule has been posted.

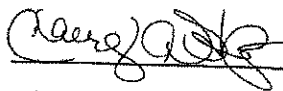

The parties agree that texting employees for shifts that open after the schedule has been posted is an acceptable way of contacting those employees with cell phones.

The parties agree that those employees who do not have cell phones will be contacted via land line simultaneously with the mass text. Employees will have 30 minutes to respond in order to maintain seniority rights to the open shifts. Employees will call either the Staffing Coordinator or the Charge Nurse as instructed in the text as to whether they are interested in the shift.

Shifts will be awarded as per 2.13 of the Collective Bargaining Agreement after the 30-minute time frame has elapsed.

This agreement will be in effect for a period of 30 days at which time it will be reviewed for any concerns.

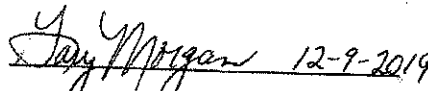

Should there be no concerns, the agreement will remain in effect until such time the parties determine otherwise.
