ARTICLE 19 RETIREMENT PLAN

For the purpose of this SECTION, the parties agree that the provisions of Article 11 shall not apply. The Union shall have the right to strike if a settlement cannot be achieved through negotiation.

SECTION 19.2: DEFINED CONTRIBUTION PLAN:

- A. 1) The Employer will make the following contributions into the Local 1189 Defined Contribution Fund during the term of this Agreement for all bargaining unit employees (except part-time bagger/carry-out/maintenance and prime time part-time employees) for all hours worked; together with hours of holiday and vacation pay, up to forty (40) hours per week.

Such employees will not be eligible for holiday pay except for the July 4 holiday, provided that the employee is otherwise eligible pursuant to ARTICLE 5, SECTION 5.2D. Such relief employees are guaranteed forty (40) hours of work per week for eight (8) weeks during the May 1 – August 31 period, and for four (4) weeks during the November 1 – January 1 period. This waiver period need not be used consecutively. This waiver may not be used in conjunction with any other waiver period. The employee must sign a waiver agreement explaining the terms of the waiver. The Employer must notify the union by providing a copy of any waiver agreement being signed.

D. During the waiver/replacement period, the employee will not accrue any benefits other than the wage rate, except in the case of a bargaining unit employee who is reassigned from a position with the Employer in which that employee currently receives benefits as provided for

under either the current Meat or Grocery collective bargaining agreement, in which case those benefits will continue to be paid.

APPENDIX "D"

LETTER OF UNDERSTANDING
BY AND BETWEEN
THE PARTIES TO THIS AGREEMENT

During the negotiations for the 1992-95 Collective Bargaining Agreement, the parties converted to a weekly system of health and welfare contributions using the same language in ARTICLE 18 of that contract that is contained in the health and welfare language set forth in the Minneapolis Retail Grocery and Meat Contract. As a consequence, full-time contributions are only made on behalf of employees who work thirty-two (32) or more hours per week under the 1992-95 Agreement. In previous contracts, such contributions had been made on behalf of employees who averaged more than twenty-four (24) per week. The parties have agreed that should any full-time employee hired prior to March 1, 1992, covered by the Retail Meat Contract be scheduled to work more than twenty-four (24) but less than thirty-two (32) hours in a work week, the employee will still receive the full-time contribution specified in SECTION 19.2 of the 2005-08 Contract. Effective March 5, 1995, the average of thirty-two (32) hours per week during the reporting period as listed in SECTION 19.1 of the 2005-08 Contract shall be applied to employees covered by this Letter of Understanding by using the twenty-four (24) hour criteria.

LETTER OF A GREEMENT "4"
(Retiree Health Insurance)

This Letter of Understanding is intended to reflect the agreement of the parties reached during collective bargaining for the terms of the Grocery and Meat Articles of Agreement for the term March 3, 2002 through March 5, 2005, regarding subsidization of retiree health insurance costs within the Health and Welfare Plan (the "Plan") provided for in the Articles of Agreement. It is agreed that the terms of the Health and Welfare Trust Agreement shall be amended to provide as follows:

1. Eligibility for participation in the retiree health insurance program (the "retiree program") shall be limited to individuals who retire on or before 12/31/2014 from positions covered by the collective bargaining agreement and who make an election to participate in the retiree program during a fixed period to be defined by the Trustees immediately prior to their retirement, without any break in the employee's participation in medical coverage under the Plan. Eligibility will likewise be extended to current retirees who are presently participating in the existing retiree medical coverage provided under the Plan or who have elected COBRA continuation and are presently continuing to receive benefits during the COBRA continuation period.
2. Further, all participants must be receiving a pension pursuant to the retirement plans provided for in the Articles of Agreement. In addition, eligibility will be limited to those who have a minimum of 25 years as a participant in the Plan and who have attained a minimum age of 55 years. Eligibility will likewise be limited to those individuals who have, for a continuous period of five (5) years immediately prior to retirement, been (a) employed in a bargaining unit position covered by the Articles of Agreement referenced above, and (b) a participant in the Plan. The eligibility criteria established by this Letter of Understanding are intended to be applied cumulatively, not in the alternative.
3. It is understood that a Plan participant who wishes to participate in the retiree program as provided herein shall first elect COBRA continuation of Plan benefits and retain participation throughout the COBRA continuation period at basic plan rates and at the participant's sole cost.
4. The benefits to be provided under the retiree program shall consist of the medical benefits provided under the Plan to retirees.
5. The claims/utilization experience of all retiree program participants shall be separately documented and calculated in order to maintain an ongoing ability to identify and measure the impact upon Plan funding of the retiree program.
6. The cost of coverage for eligible retiree program participants shall be subsidized from the assets of the Plan as follows: For participants with 30 years or more of Plan participation, the Plan shall subsidize the participant's cost of coverage at a rate of 100 % of the difference between the Plan COBRA continuation rate and the retiree self-pay rate; for participants with 25 or more, but fewer than 30, years of Plan participation, the Plan shall subsidize the participant's

cost of coverage at a rate of 80 % of the difference between the Plan COBRA continuation rate and the retiree self-pay rate. The foregoing subsidies shall cease when the participating employee becomes eligible for Medicare benefits. In all cases, the retiree program participant shall continue to pay the Plan COBRA continuation rate as determined from time to time as a minimum cost of participation.

The parties mutually agree that there is no intention to create vested rights for any employee or any Plan participant by adopting this Letter of Understanding or by amending the terms of the Plan as provided in this Letter. Rather, the terms of the Plan remain subject to change by the Trustees as provided in the Health and Welfare Trust Agreement, and the terms of this Letter of Understanding remain subject to change through the collective bargaining process.
